## 1. PURPOSE

- 1.1. Under the [B.C. College and Institute Act](#), the government of British Columbia has identified the powers and duties of College Board members. In order to determine a Board's overall effectiveness, an evaluation of pre-determined Board goals and the accomplishment of Board member responsibilities, will be completed.
- 1.2 Board evaluation should result in some or all of the following:
  - 1.2.1 improvement in the overall performance of the Board;
  - 1.2.2 a renewed dedication to the Board member role;
  - 1.2.3 increased knowledge of roles and responsibilities;
  - 1.2.4 a strengthened relationship between Board members and the College community;
  - 1.2.5 the identification of annual and long-range goals for the Board and the College.
