This is Langara.
VIEWBOOK 2017-2018
This is not just a college. It's a springboard. It's a catalyst. It's conversations as well as lectures. Students instead of numbers. A compass to help you navigate the great beyond. It's not the start, or the finish. It's a makeover for your mind.

This is Langara. The college of higher learning.
Located in Vancouver, BC, Canada, Langara College provides Open Enrolment, Limited Enrolment, and Continuing Studies programs and courses to more than 21,000 students annually.

Our range of offerings lets you choose your own educational path. We offer three bachelor’s degrees, a variety of associate degrees, diplomas, certificates, and citations, as well as post-degree diplomas and certificates.

We are Langara. The college of higher learning.
Langara acknowledges its location on the unceded traditional territory of the Musqueam First Nation, and is working to develop strong connections between the Musqueam people and the College.

**Langara and Musqueam**

**WORKING TOGETHER**

In 2014, Langara installed its third President and CEO, Dr. Lane Trotter. As part of the installation ceremony, Musqueam gave him a name in their language – Takaya, which means wolf. In 2015 the President’s regalia was altered to incorporate traditional Musqueam blanket patterns and wolves, as designed by Musqueam artist Debra Sparrow.

Langara was honoured to receive a name from Musqueam in their language, which means house of teachings. The word is used to reference the advice given to a child to build their character and to guide them into adulthood.

**MUSQUEAM NAME FOR
PRESIDENT TROTTER**

In 2014, Langara installed its third President and CEO, Dr. Lane Trotter. As part of the installation ceremony, Musqueam gave him a name in their language – Takaya, which means wolf. In 2015 the President’s regalia was altered to incorporate traditional Musqueam blanket patterns and wolves, as designed by Musqueam artist Debra Sparrow.

**MUSQUEAM NAMING CEREMONY**

As part of the naming ceremony in 2014, Musqueam gifted Langara with a rock from one of their original village sites. The College has placed a plaque on this rock at the centre of campus to acknowledge our location on Musqueam traditional territory and the name they have given us.

**HOUSE OF TEACHINGS**

Langara was honoured to receive a name from Musqueam in their language, which means house of teachings. The word is used to reference the advice given to a child to build their character and to guide them into adulthood.

**COAT OF ARMS**

In 2015, His Excellency David Johnston, Governor General of Canada bestowed on Langara its first Coat of Arms. Among the symbols incorporated in the arms is a bed of river grass to acknowledge Langara’s location on Musqueam territory. Musqueam meaning people of the river grass. Musqueam Chief Wayne Sparrow and Elder Shane Point were on hand to welcome His Excellency to their traditional territory.
OPEN ENROLMENT

Open enrolment programs allow students to complete their first couple of years of university-level courses at a college like Langara. Credits earned can be applied to bachelor’s degrees at Langara, or transferred to the second or third year at a university like UBC or SFU. Our courses provide the same knowledge you would receive at a university.

At Langara we offer the most comprehensive selection of university-transferable courses in BC. You can choose from more than 1,000 courses, learn from teachers who are experts in their field, excel in small classes, and get real value from lower tuition rates.

LIMITED ENROLMENT

Limited enrolment is more experiential, teaching a strong academic core and hands-on, relevant skills. Programs are designed with the input of community-based advisory committees and taught by dedicated instructors with years of industry experience.

Gain real-world skills in industries like magazine publishing, early childhood education, social service, business administration, journalism, nursing, and more.

For more information on open enrolment or limited enrolment programs, visit www.langara.ca.

CONTINUING STUDIES

We offer a rich and diverse range of lifelong learning opportunities. Whether your objective is to improve business skills, acquire new languages, enhance a career path, expand individual creativity, or develop a more holistic approach to personal well-being. Continuing Studies offers more than 500 courses, a post-degree diploma, and more than 60 certificate and diploma programs designed with your needs in mind.

Visit the Continuing Studies website for programs, courses, and admission requirements at www.langara.ca/cs.

BACHELOR’S DEGREE

Want a bachelor’s degree? You can earn one at Langara through full- or part-time studies. Just complete a minimum of 120 credits of university-level courses in a specific program of study in one of these subject areas:

- Business Administration
- Nursing
- Recreation Management

ASSOCIATE DEGREE

Got two years? Associate degrees are a great way to get two years of university-transferable credit in arts, sciences, social sciences, business, and humanities while laying a solid foundation for further study. Langara offers over 30 associate degrees. You can earn one by completing two years of university-level courses (at least 60 credits).

DIPLOMA

Have a specific area of interest? Langara offers over 40 two-year diploma options in both limited enrolment and open enrolment. You can earn one by completing at least 60 credits in a specific program of study.

CERTIFICATE

Interested in a shorter program? Langara offers several one-year certificate programs (30 to 42 credits) for you to choose from, many of which provide the theoretical and practical knowledge to begin a career.

CITATION

Langara offers six citations. Earn a citation by completing at least 15 credits in a specific program of study.

POST-DEGREE DIPLOMA

Have a bachelor’s degree? Earn a post-degree diploma with 31 to 42 additional credits in upper-level courses in one of these subject areas:

- Accounting
- Applied Planning
- Business Administration
- Marketing Management
- Web & Mobile App Design & Development

POST-DEGREE CERTIFICATE

Have one more year? With your bachelor’s degree and a minimum of 35 to 40 extra credits in upper-level courses you can earn a post-degree certificate in Nursing Leadership & Management or Diversity & Inclusion Leadership.

NEW PARTNERSHIP WITH QUEEN’S UNIVERSITY

We have a new partnership program with Queen’s University! Enjoy your first two years at Langara and then finish your studies at one of the best universities in Canada. You will be able to transfer your credits seamlessly towards a Bachelor of Arts, Science, or Computing degree. Learn more at www.langara.ca/queens.
Enough choices to make your head spin.

### PROGRAMS AND COURSES

Langara offers more than 1,000 courses to choose from – each thoughtfully designed to give you a solid blend of knowledge and skills. With over 100 programs ranging from four months to four years in length, how far you take your higher learning is up to you.

*Program offered through Continuing Studies. Please visit www.langara.ca/cs.

**Open Enrolment Programs**

Open enrolment programs do not have a limited number of seats and are available to both domestic and international students who meet the general College admission requirements. Domestic students must graduate from BC Grade 12 or the equivalent, or be at least 19 years of age. International students must graduate from BC Grade 12 or the equivalent, as well as meet the English proficiency requirement. Admission does not guarantee registration into courses and registration priority is determined by either the date of application or registration points (based on cumulative grade point average).

**Limited Enrolment Programs**

Limited enrolment programs have a limited number of seats and/or additional admission requirements. Admission to these programs can be competitive. Students admitted to a limited enrollment program register for courses based on the assigned registration priority for that program.

**Learn More**

For a complete list of programs and admission requirements, please visit our website at www.langara.ca.
Arts

PROGRAM INFORMATION

PROGRAMS

ARTS (GENERAL) (OE)
Develop deeper insight into multiple disciplines while building writing, analytical, and critical-thinking abilities. Students design their own academic program and explore a range of subject areas.

Credent(s): Associate of Arts Degree
Intake(s): 2 years

ARTS AND SCIENCE (OE)
The most comprehensive arts and science program of any college in BC — more than 200 first- and second-year university-transferable courses to choose from.

Credent(s): Diploma in Arts and Science
Intake(s): 2 years

GENERAL EDUCATION (OE)
For students who wish to study a diverse selection of subjects and do not necessarily plan to complete a university degree.

Credent(s): Diploma in General Education
Intake(s): 2 years

ACCESS LANGARA (LE)
For students who want to improve their English language skills while transitioning into university-transfer courses.*

Credent(s): Certificate in Access Langara
Intake(s): 8-12 months

CREATIVE WRITING (OE)
Includes courses in writing poetry, stage plays, screenplays, short stories, and non-fiction prose. In a reading- and writing-rich environment, students are challenged to express themselves through various voices.

Credent(s): Associate of Arts Degree in Creative Writing
Intake(s): 2 years

DESIGN FORMATION (OE)
Merges the disciplines of spatial formation design and communication design while bridging architectural, industrial, interior, and graphic design. Students develop foundations in these areas: design knowledge, design skills, and design practice.*

Credent(s): Diploma in Design Formation
Intake(s): 2 years

ENGLISH (OE)
Learn to effectively communicate your ideas through the written word, and critically analyze any text, from poems to video games. The English Department offers a wide variety of courses, including historical literature and theatre surveys, creative writing, communications, and film studies, as well as more contemporary topics like zombies and zombies.

Credent(s): Associate of Arts Degree in English
Intake(s): 2 years

FILM ARTS (LE)
Advanced, professional, drama-based program for those looking to practice their craft and work in the film industry. Choose from three streams of study: acting, writing, or directing. Produces a festival-quality film and gains on-screen credits. Most students have previous post-secondary education and/or experience in film.*

Credent(s): Certificate in Film Arts (Acting): 8 months
Intake(s): January

FINE ARTS (OE)
Intense program of study in visual arts and design, teaching a wide set of studio practice plus course work in art history and English. Most courses are transferable to other post-secondary fine arts programs in Canada.*

Credent(s): Diploma in Fine Arts
Intake(s): 2 years

JOURNALISM (OE)
Prepares students for careers in print/community papers, daily, and magazines, broadcast journalism, and public relations. Students get hands-on experience in researching, conducting interviews, writing stories, and shooting photos for the program’s weekly newspaper, The Voice.*

Credent(s): Diploma in Journalism
Intake(s): 2 years

PROFESSIONAL PHOTOGRAPHY (OE)
Prepares students for careers in photography and digital imaging through technical training in camera/sound technical skills, digital post production, career skills, and more.

Credent(s): Diploma in Professional Photography
Intake(s): 2 years

PUBLISHING (OE)
Provides comprehensive training for those entering the publishing industry or creating their own graphic design/online publishing business. The program covers print-based graphics, photo-intensive publishing sequences, writing, editing, and new media publishing.*

Credent(s): Diploma in Publishing
Intake(s): 3 semesters

THEATRE ARTS AT STUDIO 58 (LE)
The most renowned theatre programs in Canada. Theatre Arts at Studio 58 provides practical, hands-on training for an exciting and rewarding career in professional theatre, film, and television.*

Credent(s): Diploma in Theatre Arts (Acting)
Intake(s): 3 years

STUDIO 58 (LE)
Advanced, professional, drama-based program for those looking to practice their craft and work in the film industry. Choose from three streams of study: acting, writing, or directing. Produces a festival-quality film and gains on-screen credits. Most students have previous post-secondary education and/or experience in film.*

Credent(s): Diploma in Theatre Arts (Acting)
Intake(s): 3 years

NEW WEB & MOBILE APP DESIGN & DEVELOPMENT (LE)
For students who wish to study a diverse selection of subjects and do not necessarily plan to complete a university degree.

Credent(s): Certificate in New Web & Mobile App Design & Development
Intake(s): 2 years

CONINUING STUDIES PROGRAMS

2D ANIMATION AND DIGITAL ART
Design for modern, independent music producers and composers to work in recording, film, TV, gaming, advertising, and multimedia. Students develop a wide range of skills and gain hands-on experience in a home studio and a professional recording studio. Acceptance into this program is based on an interview and demo submission process.*

Credent(s): Certificate in Digital Music Production
Intake(s): 1 year

DIGITAL FILM PRODUCTION
This unique program provides full-time and part-time professional film industry training in all aspects of digital video production to students with a commitment to the film-making process. This 16-week full-time accelerated hands-on film education covers drama, documentary, music video production, directing, producing, screenwriting, camera/sound technical skills, digital post production, career skills, and more.*

Credent(s): Certificate in Digital Film Production: 16 weeks
Intake(s): May

DIGITAL MUSIC PRODUCTION
This post-degree diploma is for students who hold a bachelor’s degree and wish to pursue a career in web development.

Credent(s): Post-Degree Diploma in Web and Mobile App Design and Development
Intake(s): 2 years

ARTS AND SCIENCE PROGRAMS Credential(s) Intake(s)
Develop deeper insight into multiple disciplines while building writing, analytical, and critical-thinking abilities. Students design their own academic program and explore a range of subject areas.

Credent(s): Associate of Arts Degree
Intake(s): 2 years

ARTS (GENERAL) (OE)

**This is Langara.**

**The Canadian experience.**

Navdeep Hanspal, Business Administration (PDD) Alumnus

Navdeep came to Canada to build a new life for him and his family. Despite a tough beginning feeling homesick, juggling a part-time job, full-time school, and caring for his family – Navdeep persevered. His goal was to complete his education as soon as possible and find a good job. He took a co-op placement and used his experience from a previous job to implement a paperless environment at his new co-op company office.

“The PDD courses helped me build my resume and cover letter that were tailored for Canadian employers. We practiced doing interviews. My boss, (from my co-op placement) ... hired me full-time. Now, I take care of his experience from a previous job to implement a paperless environment at his new co-op company office.**

*Check the website for specific program admission requirements.*

Science and Technology

PROGRAM INFORMATION

**PROGRAMS**

<table>
<thead>
<tr>
<th>ARTS AND SCIENCE (GENERAL) (OE)</th>
<th>Diploma in Arts and Science</th>
<th>September</th>
<th>January</th>
<th>May</th>
</tr>
</thead>
</table>

**GENERAL EDUCATION (OE)**

- For students who wish to study a diverse selection of subjects and do not necessarily plan to complete a university degree.
- The Diploma in Science (OE) provides a strong foundation in natural sciences, including mathematics, physics, and chemistry. The program is designed to provide students with the skills and knowledge necessary to pursue a variety of careers or to transfer to any BC university.
- The Diploma in Applied Science for Engineering (LE) offers a broad range of courses in engineering fundamentals, enabling students to apply for advanced placement in Canadian Engineering Accreditation Board (CEAB) accredited programs.

**APPLIED SCIENCE FOR ENGINEERING (LE)**

- The Diploma in Applied Science for Engineering provides a broad range of courses in engineering fundamentals, enabling students to apply for advanced placement in Canadian Engineering Accreditation Board (CEAB) accredited programs.
- The Diploma in Science (OE) provides a strong foundation in mathematics and natural sciences, including laboratory practices and technical communications. Students are introduced to Canadian engineering practices, history and social context, and engineering principles of case study and design.

**BIOINFORMATICS (OE)**

- Bioinformatics is an interdisciplinary science dealing with the application of computer science to the study of biology. Bioinformatics education is in demand for many careers in science and healthcare. Students completing a diploma or associate degree in Bioinformatics will be well prepared to complete their Bachelor of Science at any university in BC.

**Biology (OE)**

- Includes courses in cell biology, botany, ecology, genetics, zoology, chemistry, mathematics, and physics. Flexibility in course selection allows students to choose a concentration and/or transfer to any BC university. Leads to career paths in research, education, law, and health-related fields.

**Chemistry (OE)**

- Skills learned include developing a scientific approach to tackling problems, critical thinking and analysis of data, writing scientific reports, team work, communicating with colleagues, and meeting deadlines. This program includes courses in physical and organic chemistry.

**Computer Science (OE)**

- Provides a strong foundation in computer science and transfers directly into third year computer science at UBC, SFU, and UVic.

**Computer Studies (LE)**

- Flexible program for students looking for a computing career and/or to transfer to university. Specializations include computer engineering, network security administration, software engineering, project management, and web development.

**Ecology (OE)**

- Students who are completing the Associate of Science Degree in Biology at Langara and the Diploma in Biology can complete the Citation in Ecology during their first two to three semesters.

**Engineering Transfer (LE)**

- This program is equivalent to the first year of UBC’s Applied Science program, and is an excellent foundation for further university studies in the physical sciences. Those who complete the program may apply directly to second-year engineering at UBC.

**INTERNET & WEB TECHNOLOGY (LE)**

- Preparatory program for students who are completing the Associate of Science Degree in Biology or the Diploma in Biology.

**LIBRARY & INFORMATION TECHNOLOGY (LE)**

- Preparatory program for students for duties in information centres as well as public, academic, and specialized (medical, legal, corporate, or government) libraries.

**Mathematics (OE)**

- Provides a strong foundation for transferring to third year at BC universities. Courses include calculus, linear algebra, analysis, differential equations, statistics, computer science, and English, as well as science, social science, and humanities electives.

**Physics (OE)**

- Students learn to apply physics in diverse contexts and can choose from courses in chemistry, mathematics, computer science, modern physics, electricity, magnetism, thermodynamics, and classical mechanics. A number of astronomy courses are also available.

**Post-Degree Programs**

- Post-Degree Diploma in Web and Mobile App Design and Development.

**Catherine Kallin, Physics Alumna, Outstanding Alumni Award recipient**

Catherine Kallin is a theoretical physicist, and the Canada Research Chair in Quantum Materials Theory at McMaster University. Currently she is on a fellowship visiting Stanford University where she is working in the area of topological superconductivity — working with materials that conduct electricity with no loss of energy.

"When I started at Langara, I was not only neutral, but I had been turned off of physics. My instructor introduced me to how interesting physics is, what a wonderful way to look at the world and use mathematics to understand the world around us."

Catherine has recently been named a Simons Fellow in Theoretical Physics, the only Canadian among 20 Americans in 2017 to receive this prestigious honour.
**Humanities and Social Sciences**

---

**Advocating for community.**

**Randy Robinson, Aboriginal Studies Alumnus, Outstanding Alumni Rising Star Award Recipient**

Randy came to Langara as a mature student after spending years in his community working for a variety of charities. He quickly emerged as a leader of the College’s Aboriginal student community – Randy is Algonquin from Timiskaming First Nation – taking on the position of Aboriginal Liaison for Langara’s Students’ Union.

“I would recommend the Aboriginal Studies Program to Aboriginal and non-Aboriginal learners alike. The course material challenges learners to grow intellectually and to think critically about Aboriginal issues that affect every one of us in Canada. What I learned at Langara helped me focus my goals and define how I will serve my community in the future.”

Randy graduated from the Peter A. Allard School of Law at the University of British Columbia, and recently passed the bar. He is making his dream of becoming an Aboriginal rights lawyer a reality.
### PROGRAMS

**EDUCATION ASSISTANT (LE)**
- Certificate in Education Assistant: 1 year
- September

**ENVIRONMENTAL STUDIES (OE)**
- Diploma in Environmental Studies (Co-ordinated): 2 years
- September

## POST-DEGREE PROGRAMS

**APPLIED PLANNING (LE)**
- Diploma in Applied Planning: 1 year
- September

*Check the website for specific program admission requirements*
Health

PROGRAM INFORMATION

FOOD AND NUTRITION (OE)
The Associate of Science Degree in Food and Nutrition prepares students to meet course requirements for application to the BSc (Food, Nutrition, and Health) program in the Faculty of Land and Food Systems at UBC, with an option for transfer into dietetics, if eligible. The curriculum has been updated for 2018 and may qualify graduates for admission to similar baccalaureate programs at other universities across Canada.

FOOD, NUTRITION, AND HEALTH TRANSFER (LE)
The Diploma in Food, Nutrition, and Health Transfer is a new limited enrolment diploma developed in collaboration with UBC. Graduates of the diploma will receive admission to Land and Food Systems Faculty and be eligible to apply to 3rd-year dietetics degree program.*

FOUNDATION IN NURSING LEADERSHIP (LE)
The Citation in Foundations in Nursing Leadership is designed for students who want to pursue the admission requirements for the Bachelor of Science in Nursing. Topics include leadership, program, and event development; facility operations; budgeting; and subtle manual therapies, and provides practical training in student clinics and diverse outreach locations to ensure students have every opportunity to apply and integrate their learning in a supervised setting. The Diploma in Registered Massage Therapy (RMT) program is recognized by the College of Massage Therapists of BC and provides practical training in student clinics.

HEALTH SCIENCES (OE)
An interdisciplinary approach examining health, illness, and disease in human communities. It builds on the basic sciences but also draws from research-oriented fields such as psychology and economics. Students may transfer to third-year studies in SFU's Faculty of Health Sciences.

HEALTH SCIENCES: 2 years
Associate of Arts Degree in Health Sciences: 2 years
Associate of Science Degree in Health Sciences: 2 years
Diploma in Arts and Science (Health Sciences: Arts) 2 years
Diploma in Arts and Science (Health Sciences: Science) 2 years

KINESIOLOGY (OE)
Primarily for those completing two years of university-transferable courses towards a degree in human kinetics, physical education, or kinesiology. Many courses offer certification from organizations such as National Coaching Certification Association, SportMedBC, and BC Recreation & Parks Association.

Diploma in Kinesiology: 2 years

LEISURE STUDIES (OE)
The appropriate selection of courses, students may complete two years of university-transfer coursework towards a degree in recreation, leisure, or sport studies.

Diploma in Leisure Studies: 2 years

NURSING (LE)
The Bachelor of Science in Nursing program provides students with comprehensive knowledge and skills to practice nursing in the healthcare system. Upon completion, students are eligible to write the NCLEX-RN® examination. Open to Canadian citizens and permanent residents.*

Bachelor of Science in Nursing: 3 years

RECREATION LEADERSHIP (LE)
Students learn the skills and competencies to create quality recreation experiences. Topics include leadership, program, and event development; facility operations; budgeting human relationships, and community and business development. Qualified students may continue to complete a Bachelor of Recreation Management.*

Diploma in Recreation Leadership: 2 years

RECREATION MANAGEMENT (LE)
This online degree completion program is aimed at professionals with recreation diplomas who wish to upgrade their skills and pursue entry-level or middle management positions in the recreation field. The program combines a solid foundation in management theory with specialized practical courses in recreation.*

Bachelor of Recreation Management: 2 years

*Check the website for specific program admission requirements.

CREDENTIAL(S) INTAKE(S)

POST-DEGREE PROGRAMS

DIVERSITY & INCLUSION LEADERSHIP (LE)
This program offers internationally-educated professionals an opportunity to develop their leadership skills in the workplace in Canada and across the globe. Students broaden and deepen their understanding of the ethics and legalities of diversity and inclusion in the workplace, media, and society. Students are taught to challenge their own perspectives by applying their leadership skills relating to diversity and inclusion in the simulated workplace setting. Check the website for specific program admission requirements.

Post-Degree Certificate in Diversity and Inclusion Leadership: 1 year

NURSING LEADERSHIP & MANAGEMENT (LE)
This program is designed for Internationally Educated Nurses (IEN) for eligibility and application for nurse licences and nursing practice in Canada. It includes critical thinking, clinical judgment and decision making, verbal and written communication, and cultural safety as applied within the healthcare setting. Students have opportunities to apply nursing knowledge, build their clinical competency, and start preparing for the NCLEX-RN® examination within the classroom and nursing laboratory. Check the website for specific program admission requirements.

Post-Degree Certificate in Nursing Leadership and Management: 1 year

CONTINUING STUDIES PROGRAMS

REGISTERED MASSAGE THERAPY (RMT)
Prepares students to be independent, successful, and professional healthcare providers. The curriculum goes beyond the standard in areas such as gross anatomy, business skills, and suitable manual therapy, and provides practical training in student clinics and diverse outreach locations to ensure students have every opportunity to apply and integrate their learning in a supervised setting. The RMT program is recognized by the College of Massage Therapists of BC.

Diploma in Registered Massage Therapy: 3 years

*Check the website for specific program admission requirements.

CREDENTIAL(S) INTAKE(S)

FROM LANGARA TO THE NFL.

Arthur Tolhurst, Human Kinetics Alumnus

Sports were always Arthur's passion, and football a defining force in his life. After spending a year at Langara, Arthur transferred to UBC, embarking on a journey that led him to become a Strength and Conditioning Assistant with the NFL's Cleveland Browns.

"I really liked sports and the science of movement. Human Kinetics was a way to incorporate both. I was able to relate a lot of my coursework to the sports I participated in. I use the knowledge I learned at Langara everyday from general anatomy to different coaching principles.*

From Langara to the NFL.

This is Langara.

Read more of Arthur’s story at thisislangara.ca.
Make it work for you.

FLEXIBLE STUDY OPTIONS

Langara recognizes the need for flexibility and different ways of learning. We offer traditional classroom learning and a variety of flexible study options.

CO-OPERATIVE EDUCATION
Want to get work experience while still in school? Consider Co-operative Education. Co-op allows you to alternate full-time study semesters with paid work terms. Gain practical, career-related work experience to get a head start in your career.

As one of the first colleges in BC to offer co-op, Langara has been placing co-op students with employers for over 35 years.

CONCURRENT STUDIES
Interested in getting a head start? Have great grades? Take university-level courses while still attending secondary school. Contact advisor@langara.ca for more information.

STUDENT EXCHANGES
Experience a different country through educational and cultural experiences. Exchange students study for one semester at a partner educational institution while paying tuition to Langara.

Field schools combine the rigor of academic study with real-world experience. Earn credits while traveling to exotic places and experiencing first-hand study history and culture in Japan, gain insight into contemporary China in a social, business, and cultural context, or work an archaeological dig. For a full list of programs, visit www.langara.ca.

DEGREE PARTNERSHIPS
Interested in furthering your studies at a different institution? Langara has a growing number of partnerships with universities across Canada and around the world. Start your degree here, and then transition to any of these universities to complete your credential. For more information about our degree partnerships contact advisor@langara.ca.

ESL STUDIES
Need to improve your English skills? Langara English for Academic Purposes (LEAP) provides intensive English and academic training to prepare students for university-level studies. Developmental and ESL courses are also available for students at the post-secondary level who require additional training in fundamental English reading and/or writing.

FIELD SCHOOLS
Field schools combine the rigor of academic study with real-world experience. Earn credits while traveling to exotic places and experiencing life first-hand: study history and culture in Japan, gain insight into contemporary China in a social, business, and cultural context, or work an archaeological dig. For a full list of programs, visit www.langara.ca.

GUIDED INDEPENDENT STUDIES
If your work or home schedule makes it difficult to attend regular on-campus classes, we may have a solution for you. Guided independent studies integrate printed materials and online components with a few in-class sessions. Subject areas include Chinese, French, Spanish, and psychology.

ONLINE DISTANCE EDUCATION
The world is your classroom via the Internet. Interact with instructors and classmates online with a schedule that works for you. For a full list of online course options, visit www.langara.ca.
Making things easier.

STUDENT SUPPORT SERVICES

Starting college is a big step. It’s okay to ask for help. Langara offers a range of student services to help you get the most out of your college experience.

Contact information for these services is available on the back cover and on our website at www.langara.ca.

SERVICES FOR ABORIGINAL STUDENTS

Need help transitioning to college life — finding applications, enrolment confirmation, course selection, personal support? Contact services for aboriginal students for a suite of educational and cultural supports for your academic journey. Contact aboriginal@langara.ca or call 604.232.5645 for more information.

ADMISSIONS ADVISING

Have questions about admission requirements? Langara’s admissions advisors are here to help walk you through the admissions process and get you started on the path to success. Contact an advisor at advisorg@langara.ca.

BOOKSTORE

Pick up all of your textbooks, stationery supplies, and gifts in person at the Bookstore or order online at www.langara.ca/bookstore for pickup or delivery. The Bookstore offers textbook choices to accommodate for pickup or delivery. The Bookstore also offers textbook choices to accommodate for pickup or delivery. The Bookstore also offers textbook choices to accommodate for pickup or delivery. The Bookstore also offers textbook choices to accommodate for pickup or delivery.

COUNSELLING

You can get confidential personal, educational, and career counselling through the counselling department. Counselling also offers student success workshops and course planning sessions throughout the year. Contact the counselling department at counsellingservices@langara.ca or call 604.232.5637.

CHILD CARE

The Langara Child Development Centre runs a full-time, inclusive daycare centre for children ages 6 months to five years. Priority placement is given to student and employee families. Contact the daycare at rhancroft@langara.ca.

CO-OP & CAREER DEVELOPMENT CENTRE

The Co-op and Career Development Centre is a central resource that is designed to connect you to skills, resources, and employers. Gain access to in-class employment courses, co-operative education opportunities, career workshops, resume review, interview practice, and resources that will help develop essential skills for the workplace. This dynamic centre provides a central place for students, employers, alumni, associations, and sponsors to grow valuable connections.

For additional career development resources and details on upcoming events, visit www.langara.ca/coop-and-career-development.

COUNSELLING

You can get confidential personal, educational, and career counselling through the counselling department. Counselling also offers student success workshops and course planning sessions throughout the year. Contact the counselling department at counsellingservices@langara.ca or call 604.232.5637.

LIBRARY

This is your all-in-one location for research and learning support at Langara. Visit the Library in person or online for all the information you need for your assignments and more. The Library also has quiet study spaces, computers, printers, and a Starbucks.

FINANCIAL AID

Find ways to reduce financial barriers. Get information on bursaries, scholarships, emergency loans, grant programs, student loans, work assistance programs, and various other assistance programs. For more information, visit www.langara.ca/finaid.

HEALTH SERVICES

Need a medical consultation? Langara health services provides confidential healthcare services to the college community. Physicians and an advanced practice nurse are available for assessment, diagnosis, and treatment.

LANGARA STUDENTS’ UNION (LSU)

The Langara Students’ Union is an organization comprised of most of the students registered at Langara. The LSU provides services, advocacy, and social events to its members. These include an extended health and dental program, low-cost photocopying, a student discount program, locker rentals, and more. Visit www.lsu.langara.ca for more information.

LEARNING COMMONS & TUTORING

The Learning Commons is designed to be a one-stop shop for services and tools to help enhance your learning. Many departments offer free tutoring and academic help. This includes help with accounting, biology, chemistry, computer science, economics, physics, and more. Visit www.langara.ca/learning-commons for more information.

NEW STUDENT ORIENTATION

Before the start of each semester, Langara hosts an orientation for new students. It’s a great way to prep for school and learn about what you can expect and what is expected of you during your time here at Langara.

PARENT AND SUPPORTER ORIENTATION

Parents and family play an important role in student success. Parent and Supporter Orientation is hosted once a year, prior to the start of the fall semester. Meet instructors, speak with current students, tour the campus, and become familiar with college life.

SAFEWALK SERVICE

We want to ensure the safety and security of everyone on campus. The College provides safe walk services at any time. For safe walk service, visit the Security Office or call 604.232.1011.

DISABILITY SERVICES

Do you require an academic accommodation? Disability services arranges support services for students on a case-by-case basis. Contact disability services as soon as possible at disabilityservices@langara.ca or visit www.langara.ca/disability-services for more information.

INTERNATIONAL STUDENTS

Need help deciding on which post-secondary institution to attend? Visit the International Education (IE) section of the website to see 10 important reasons why you should choose to study at Langara, or contact IE at international@langara.ca.

International student services include:

- The i-Guide Mentorship Program
- Langara PLUS Program
- International student orientation
- On- and off-campus activities
- Pre-arrival essentials
- Volunteer opportunities

In 2016/2017, Langara welcomed students from more than 80 different countries around the world.

LEAP – Langara English for Academic Purposes

LEAP is an intensive English program designed to prepare students whose first language is not English for full-time study at English language universities and colleges. Successful completion of LEAP leads to direct admission to open enrolment programs at Langara.

Homestay

The Langara Homestay program offers international students the chance to practice speaking English and learn about Canadian culture while living with a local family. Our families are specifically chosen because of their commitment to involving students in family life and their interest in learning about other cultures.

Langara PLUS

This program is designed for international students to gain extracurricular experiences, skills, and knowledge in four categories of activity: study skills workshops, social events, recreational activities, and lifestyle workshops. For complete information about programs and services for international students visit www.langara.ca/international or email international@langara.ca.
Outside the classroom.

ACTIVITIES AROUND CAMPUS

MIX AND MINGLE
Orientation sessions, campus BBQs, student fundraisers, workshops, film nights, forums – you name it. All year round, we have events for students and the community. Find out about campus happenings by checking out the News & Events page on the Langara website, myLangara, or our social media channels.

LANGARA VOLT
Convert your energy to a good cause. Langara’s VOLT program provides students with volunteer opportunities for a variety of organizations. It’s a great way to make new connections, learn new skills, gain experience, and give back to the community.

JOIN A CLUB
One of the best ways to meet like-minded people is to join a club. Or if you have an interest in an area you don’t see here, start a club! Below is a current list of some of the clubs open to all Langara students. For a full list, please visit www.langara.ca/clubs.

Campus Clubs
- Canadian Nursing Students’ Association – Langara (CNSA)
- Chinese Students & Scholars Association
- Every Nation Campus
- Friends of Overseas College & University Students (FOCUS)
- Garuda Indonesian Langara Association (GILA)
- GoldiHa Club
- Hillel Jewish Student Association
- Langara Aboriginal Students Association

- Power to Change – Langara
- South Asian Club
- Yoga Club

KICK BACK AND RELAX
The Langara Students’ Union building is a great place to meet up with friends, grab a bite to eat, relax between classes, or catch a few zzz’s. The LSU includes:
- A sushi restaurant and coffee/sandwich shop with seating areas
- Foosball, table tennis, and bumper pool table
- Couches and tables for studying and playing board games
- Access to a bike repair shop, book binding, faxes, photocopy, internet service, microwave, hot water dispenser, and more
- Resource rooms for studying or committee meetings
Men’s Basketball Head Coach Paul Eberhardt is looking forward to another strong season. Since taking the helm of the program in 2012, the Falcons have been perennial national contenders, making the CCAA National tournament three of the past five seasons and winning a National Championship in 2013-2014. Coach Eberhardt will look to a talented group of young players, bolstered by a number of experienced transfer players, to return the Falcons to the National stage once again.

This will be the second season for Coach Winston Brown as the head of the women’s basketball program at the College. The Falcons returned to the Provincial Championships for the second year in a row and Coach Brown is looking to improve on the team’s post-season showing in 2017-18. The Falcons will be led by their returning PACWEST All-Rookie team stand outs Trisha Francia and Nicola Erricson.

In the golf team’s second season back in the athletic program after a 40-year hiatus they showed steady improvement finishing in 4th place in the conference. Coach Tom Flockhart is excited for the continued improvement of the group and to see if standout Jacob Vanderpas can duplicate his outstanding season in which he was named the PACWEST player of the year and a CCAA All-Canadian.

BUILDING NATIONAL SUCCESS

Studio 58, Langara’s professional theatre training program, presents four full-length plays and two Risky Nights projects between October and April every year. All productions are designed and directed by working professionals from the industry. Senior acting students perform in the shows, and production students, along with junior acting students, work backstage and provide technical support.

Performances are reasonably priced. Every show on campus has FREE student preview performances and $10 rush tickets for any student from any institution with valid ID.

The 2017-2018 season includes:

- **As You Like It**
  September 28 - October 15, 2017
- **Wilderness**
  November 16 - December 3, 2017
- **The Skin of Our Teeth**
  February 1 - 18, 2018
- **FourPlay: New Work by Excited Writers**
  March 14 - 25, 2018
- **The Risky Nights Series**
  October 11 - 16, 2017
  March 19 - 25, 2018

For more information, contact Studio 58 at 604.323.5227 or visit their website at www.langara.ca/studio-58.

LANGARA FALCONS

Since 1970, Langara’s Falcons have attracted some of the top athletic talent from within British Columbia and across Canada. The Falcons compete in the Pacific Western Athletic Association (PACWEST) in basketball, golf, and soccer and are consistently recognized as one of the top athletic teams.

Over the past four decades, the Falcons have racked up an impressive number of achievements, including:

- 26 National Championship Titles
- 123 Provincial Championship Titles
- 36 PACWEST Provincial All-Stars
- 18 Provincial Aggregate Trophies
- 14 CCAA All-Canadians
- 14 CCAA Academic All-Canadians

INTRAMURALS

Interested in recreational sports? Intramurals might be for you! We’ve got basketball, badminton, volleyball, tennis, indoor soccer, and more. It’s a great way to meet new friends, have fun, and get some exercise. Check online for the gym schedule at www.langara.ca/athletics.

INTERESTED IN THE ARTS?

Catch a show.

**STUDIO 58**

  March 19 - 25, 2018

For more information, contact Studio 58 at 604.323.5227 or visit their website at www.langara.ca/studio-58.

The 51st season in 2016 came to a spectacular close with two Studio 58 productions, 42nd Street (that broke box office records) and The Refugee Hotel written and directed by award-winning author and playwright (and Studio 58 graduate!) Carmen Aguirre. Studio 58’s 52nd season once again offers great learning experiences for our students and great plays for our audiences. The classic Shakespeare comedy As You Like It which deals with the trials and tribulations of young love will open our season. A 100% contemporary take on the trials and tribulations of today’s youth, Wilderness, follows. In the New Year, the trials and tribulations of humanity are explored in the American classic comedy The Skin of Our Teeth. Who knows what trials and tribulations our student writers will explore in FourPlay. With the addition of two Risky Nights productions, we invite you to join us for another outstanding season of theatre.
Money matters.

COST OF TUITION

Langara has some of the most reasonable tuition rates in the province. If you’re a typical domestic student taking a full course load (15 credits per semester), your tuition will be about $1,400 per semester. Most college students are also eligible for perks like a flexible, all-zone U-Pass BC Compass Card, and a very reasonable Langara Students’ Union health and dental plan.

### SAMPLE COST BREAKDOWN
These are the current fees for 2017/2018. Visit www.langara.ca for the most up-to-date information.

How do I become a student? APPLICATION PROCESS

1 APPLY TO LANGARA
First things first: prepare your application package.
- Research your intended program of study and the admission requirements
- Apply via the Langara website (online or paper) or at www.educationplancanada.ca
- Pay the application fee
- BC High School students: Provide us with your Personal Education Number (PEN) before April 30, 2018 – the Ministry will send you your transcript on your behalf.
- Your name on the application must match the name on your Ministry transcript
- Use your full legal name
- Provide a valid email address

Applying to a limited enrolment program? Increase your success by applying to an open enrolment program as well.

2 ADMISSION REQUIREMENTS FOR DOMESTIC STUDENTS
All admission requirements must be met prior to consideration for admission.

Regular academic requirements for admission to Langara are:
- Successful completion of a BC secondary program (Grade 12 or the equivalent), or
- Successful completion of a BCABE (Adult Basic Education) or BCGED (General Educational Development) program, or
- Be at least 19 years of age by the first day of the first semester of attendance

Submit all necessary official transcripts and other supporting documents for application. After your application is approved and all documents have been verified, Langara will send you an offer of admission via email.

- Processing times may take two to three weeks for submitted documentation
- Email communications will be sent to the email address you provide on your application

3 REGISTRATION
Many courses have specific prerequisites. All prerequisites for individual courses must be completed prior to course registration.

- Research and complete course prerequisites. If applicable (see website for course offerings and prerequisites)
- Attend a course planning session (see website for dates)
- Make an appointment with a counsellor for course planning
- If necessary, write appropriate Diagnostic Tests
- Activate your registration time and date through your my.Langara account
- Build your timetable with alternatives prior to registering
- Register or waitlist for courses on the date and time indicated when you activated your registration
- Pay for fees prior to the fee payment deadline - check “Important Dates” online.

View the Registration Guide online at www.langara.ca/regguide.

ARE YOU AN INTERNATIONAL STUDENT?
We welcome international students at Langara and offer a range of programs to suit every student’s skill level. You must have successfully completed BC Grade 12 or equivalent (12 years of formal education) and possess a study permit. You must also demonstrate proficiency in the English language prior to admission. Check the International Education admission requirements on the College website for specific proficiency requirements.

Check www.langara.ca/programs-and-courses to find additional requirements specific to your program of interest.

For more information on what we have to offer, how to apply, or international student fees, please contact international@langara.ca or visit www.langara.ca/international.

The fine print.
ADMISION DETAILS

WHEN DO I APPLY?
Apply early! Langara begins accepting applications 12 months prior to the start of each semester. Open enrolment program students are assigned a registration time based on their date of application, and some limited enrolment programs accept students on a first-come, first-served basis.

REGISTRATION
Many courses have specific prerequisites. All prerequisites for individual courses must be completed prior to course registration.

- Research and complete course prerequisites. If applicable (see website for course offerings and prerequisites)
- Attend a course planning session (see website for dates)
- Make an appointment with a counsellor for course planning
- If necessary, write appropriate Diagnostic Tests
- Activate your registration time and date through your my.Langara account
- Build your timetable with alternatives prior to registering
- Register or waitlist for courses on the date and time indicated when you activated your registration
- Pay for fees prior to the fee payment deadline - check “Important Dates” online.

View the Registration Guide online at www.langara.ca/regguide.

WHAT ARE SPECIFIC PROGRAM REQUIREMENTS?
For admission to limited enrolment programs, you may need to meet additional admission requirements. Examples of these requirements include completion of specific courses, letters of reference, statements of intent, interviews, auditions, and/or portfolio submissions.

Requirements may also include achieving appropriate scores on diagnostic or placement tests such as the Langara English Test (LET), the Language Proficiency Index (LPI), the Mathematics/Statistics Diagnostic Test (MDT), and the Physics Diagnostic Tests.

Visit the Langara website at www.langara.ca/programs-and-courses to find additional requirements specific to your program of interest.

Want to transfer credits?
You must indicate your complete academic history on your application. Transfer credit may be awarded upon request for courses completed at another recognized post-secondary institution or through an International Baccalaureate (IB) or Advanced Placement (AP) program. To request transfer credit, submit a Transfer Credit Request form (available at www.langara.ca or at the Registrar and Enrolment Services Office) along with an official transcript and detailed course outlines from the transferring institution.

Make sure you submit your transfer credit request at least three months before the start of the semester to have courses assessed in time for course registration.

AGREEMENTS ON PROGRAM SELECTION AND ADMISSION REQUIREMENTS?
advising@langara.ca

QUESTIONS ON HOW TO APPLY?
admissions@langara.ca

ARE YOU CURRENTLY IN GRADE 12? Info for BC Grade 12 students
Current BC Grade 12 students can apply to Langara as of October 1, 2017 for admission to the fall semester 2018. Complete a PSI Selections form and include your PEN on your application to ensure that your interim grades and final transcript are automatically sent to Langara.

To ensure we have your interim transcript before registration begins in June, you should submit an online application and complete the PSI Selections form no later than April 30, 2018.

Apply early as many limited enrolment programs admit students on a first-come, first-served basis.

For English 12, English Literature 12, and English First Peoples 12, we will use only the final grade (classroom and provincial exam mark) for admission and prerequisite purposes. Students in the Adult Graduation Program must use the provincial exam mark for English 12, English Literature 12, and English First Peoples 12, in order to use the course for admission or prerequisite purposes.

Conditional admission for BC Secondary School Students
Students currently enrolled in BC Grade 12 who are missing only one course for graduation may appeal for conditional admission to Langara. Visit our website at www.langara.ca/admissions/requirements.

Concurrent studies for BC Secondary School Students
If you have demonstrated academic excellence and you want to get ahead, you can apply to take open enrolment or eligible limited enrolment courses at Langara while you’re still attending secondary school.

To learn more, contact Registrar and Enrolment Services.

ATTENTION: IMPORTANT DATES FOR FALL 2018
APPLICATION OPENS October 1, 2017
REGISTRATION OPENS June 18, 2018
CLASSES BEGIN September 4, 2018
Contact admissions@langara.ca for more information.

#THISISLANGARA

32 VIEWBOOK 2017-2018
Our central location and great transit connections mean you can spend less time commuting and have more time for your studies, part-time work, and social life.

A BUILDING
This building is filled with media-ready classrooms, lecture halls, Studio 58’s theatre, creative studios, lockers, meeting and study spaces, the Gathering Space, Continuing Studies front counter, International Education offices, the student and employee cafeterias, faculty offices, and the Security office.

GYMNASIUM
The gym is equipped with change rooms, lockers, showers, and two teaching classrooms. This is where the Falcons train and where sport enthusiasts can get some exercise between classes.

B BUILDING
This southern-most building hosts media-ready classrooms, Health Services, Counselling Services, Printshop Services, and faculty and administration offices.

C BUILDING
In C Building there are media-ready classrooms, Audio/Visual-support services, the Bookstore, and faculty offices.

CHILD DEVELOPMENT CENTRE
This facility is an award-winning daycare that looks after 60 children ranging from 18 months to 5 years of age. It offers outdoor playgrounds, playrooms, and a resource room. Priority is given to children of Langara students and Langara employees.

LIBRARY/CCLASSROOM BUILDING
This state-of-the-art building is renowned for energy efficiency. It offers classrooms, computer labs, a coffee shop, Learning Commons and tutoring facility, and an extensive online and physical library collection. There are two electric vehicle (EV) charging stations located in the underground parkade, as well as a bike lock-up with end-trip facilities including a shower.

SCIENCE & TECHNOLOGY BUILDING
Built to LEED® Gold standards, this building is the newest addition to the Langara campus. The facility features science and technology labs, classrooms, food services, a large event space and more. It is also the location for Registrar & Enrolment Services.

LANGARA STUDENTS’ UNION BUILDING (LSU)
The Students’ Union Building offers food services, a coffee shop, a bicycle repair shop, lockers, a kitchenette, and lounge space.

LANGARA COMMUNITY GARDEN AND APIARY
Located on the east side of campus by Ontario Street, the Langara Community Garden Society manages a community garden. It is open to all Langara students, employees, and surrounding neighbours. Grow your own strawberries, carrots, tulips, and more! Next to the garden is Langara’s very own apiary, a place where hundreds of bees call home and produce honey. Sweet, right?
We’re growing with you.

LARGARA AND SUSTAINABILITY

At Langara College, we are deeply committed to being part of a sustainable society. We understand that the world’s resources are finite and that our choices, both big and small, impact our world and future generations. As part of our vision, we continue to upgrade existing infrastructure with an eye to architectural excellence and innovative sustainable design.

SUSTAINABLE CONSTRUCTION

All of our new buildings on campus are built to LEED® Gold certification standards and boast special green features with the goals of improving energy efficiency, and reducing the impact of our campus on the environment, while enhancing the health and well-being of the Langara community.

Green building features include:

- Enhanced air quality
- Better lighting/daylight exposure
- Improved thermal comfort
- Improved energy efficiency
- Spaces that enhance social interaction

Buildings on campus that have achieved LEED® certification include the Langara Students’ Union, the Library and Classroom Building, and C Building. Certification for our newest facility, the Science and Technology (T) Building is in progress.

OUR SUSTAINABLE CAMPUS

Langara continues to improve our environmental impact as well by:

- Reducing energy use and greenhouse gas (GHG) emissions
- Offering programs and courses on environmental and sustainability issues
- Conducting alternative energy research projects
- Upgrading to more energy-efficient information technology equipment
- Encouraging use of alternative transportation – public transit, bicycles, carpooling, electric vehicles
- Having recycling initiatives for near-zero waste management (such as compostable cutlery, plates, etc.)
- Having recycling initiatives for near-zero waste management (such as compostable cutlery, plates, etc.)

Learn more about Langara’s sustainability initiatives by visiting www.langara.ca/sustainability. You can also listen to Langara’s sustainability efforts in an Audio Tour available in T Building.

We are committed to creating a sustainable campus environment that not only reduces our impact on the environment, but also enhances the health and well-being of our students, faculty, and staff.

C Building and Students’ Union Building

- Voluntary seismic upgrade of C Building to extend building lifespan and improve safety
- Geo-exchange Energy Transfer System reduces greenhouse gas emissions and saves energy
- Low VOC paint with reduced levels of volatile organic compounds (VOCs)
- Thermoplastic Polyolefin (TPO) reflective roof to reflect the sun’s energy and reduce the building’s cooling costs

Library/Classroom Building

- Concrete mixed with fly ash (by-product of power plants created during coal combustion) to increase resistance to chemical corrosion, decreases landfill pollution, and reduces greenhouse gas emissions
- Wind energy generated by an undulating rooftop and wind towers for natural ventilation
- Solar shading to prevent the sun’s heat from warming the building

Science & Technology Building

- Low-flow fume hoods with adjustable sashes
- Reflective and green roofs
- Natural ventilation and hot water generation via solar thermal panels
- Energy-efficient mechanical and electrical systems
- The use of local LEED®-approved materials

Visit www.langara.ca/sustainability for more information and resources.

Getting here is easy.

TRANIT OPTIONS

Langara College is centrally located in Vancouver, BC, Canada. It is in a great residential neighbourhood in South Vancouver and is bordered on three sides by green space. Just steps away from Main Street, there are many ways to get here:

BIKE

It is convenient to cycle to Langara along the nearby 37th Avenue Bikeway (Ridgeway Greenway) or along the Ontario Street Bikeway. Take advantage of special features like cyclist-priority crosswalks and speed-controlled intersections. We have bicycle racks all around campus. There is also a locked bicycle parking cage and a compressed air hose for your convenience located in the underground parking. Showers are available in the gym and C Building basement.

BUS

The bus is a great transportation choice. The 49th Avenue bus stops directly in front of the campus, while Main Street and Cambie Street buses are only a few blocks away.

As a Langara student, you may also be eligible for the U-Pass BC program. Included in student fees, eligible students have unlimited, 3-zone access to the entire TransLink system of buses, SkyTrains, and Seabus, as well as discounted fares on the West Coast Express.

SKYTRAIN

To get to the main campus, hop on the Canada Line, get off at Langara-49th Avenue Station, and walk two blocks east. The Langara campus is only 13 minutes from downtown Vancouver and 12 minutes from Richmond Centre.

CARPOOL

Create your own carpool and register for a special decal at the Facilities Reception Desk for reserved parking in designated spots close to buildings. Visit www.carpool.ca.
