Fine Arts

The previously published Fine Arts curriculum appears on page 45 of the Langara Fall 2021 Calendar.

Department: Fine Arts

Division: Creative Arts & Industries

Program Intake: September, January, May

OPTION(S)

- Diploma in Fine Arts

GENERAL INFORMATION

The Fine Arts Program provides two years of intensive study in fine arts. The program has excellent transferability to universities and art schools in British Columbia, Canada, and the USA. The Diploma in Fine Arts offers a dual purpose to the prospective student:

1. Preparation leading toward advanced study at other art institutions; and
2. Foundation training for employment opportunities.

The program emphasis is on studio art with the opportunity for specialization in the second year. Diploma requirements include academic courses in English, art history, and cultural theory.

Drawing and design are considered core courses. Students must complete drawing and design each term before advancing to the next term.

ADMISSION REQUIREMENTS

Term Notes:

Students must achieve a minimum "C-" grade in a studio area to be eligible to register in that studio area at a second-year level.

Terms 1 and 2:

1. Completion of all first-year courses in the program or transferred equivalence is required before entry into second year.

Terms 3 and 4:

1. Students must take a total of 18-24 credits of 2000-level studio courses.
2. When selecting 2200-level studio courses, please ensure that you have taken the appropriate 2100-level prerequisite courses and have achieved a minimum "C-" grade.
3. Students wanting to do further study in fine arts should check with the institution to which they want to transfer to determine the course requirements of that institution.
4. The number of fine arts studio electives in the second year of the program is dependent upon the total number of second-year program students.

Admission to a program does not guarantee registration in required courses. Students interested in the program are strongly encouraged to check individual course prerequisites and submit relevant documents to Registrar & Enrolment Services well in advance of the registration period.**

MATH 1150 (3 CREDITS) (4:1:0)

The previously published MATH 1150 curriculum appears on page 280 of the Langara Fall 2021 Calendar.

Basic and Intermediate Algebra

A one-term course in algebra, covering most topics introduced in high school courses up to and including Principles of Mathematics 11. Content includes real number concepts, algebraic operations, linear equations and inequalities, polynomial and rational expressions, exponents, roots and radicals, quadratic equations, equations in two variables and their graphs. This course is not tied to the high school curriculum, but is designed to be a fast-paced review of many topics encountered at high school. The material is covered in greater depth, with an emphasis on speed and proficiency of algebraic manipulation, problem-solving and practical applications. The objective is to up-grade existing knowledge to the level required for college algebra. Graded S/U**

May not be used as credit towards a Langara College credential.

Prerequisite(s): One of the following: a minimum "C" grade in Precalculus 11 or Foundations of Mathematics 12; a minimum "C-" grade in Precalculus 12; an "S" grade in MATH 1101; or permission of the department based on the Mathematics Diagnostic Test (MDT 060). Prerequisites are valid for only three years.
