Custom and Corporate Training

Custom and Corporate Training offers businesses a cost-effective, on-site training for employee development to help them maximize their business potential. Drawing on a pool of qualified trainers and instructors, the Custom and Corporate Training Manager works with organizations to develop an effective training program based on the team's size, experience level, project needs, and long-term goals. A variety of flexible scheduling options are available for businesses, from one-day workshops to a more in-depth series of courses.

Career Assessment

Take a career assessment to learn how to make career and education choices that match your personality, strengths and interests.

The Career Assessment package includes: an online career aptitude test that will assess your career values, work personality and interests, and a one-on-one session with a career professional to review your results and plan your next steps.

Tests used in the assessment package are: Career Values Scale, Strong Interest Inventory, Wonderlic Personnel, and Work Personality Index.
