During the term of this Agreement, any differences concerning the dismissal, discipline or suspension of an employee or the interpretation, application or operation or any alleged violation of this Agreement, including any question as to whether any matter is arbitrable, will, without stoppage of work, be finally and conclusively settled by the following procedure:

Step 1

Within ten (10) working days of the occurrence of the difference, or within ten (10) working days of when the employee concerned first became aware of the matter giving rise to the difference, the employee with or without the steward (at the employee's choice) will discuss the difference verbally with their immediate supervisor who will respond within ten (10) working days.

Step 2

If no settlement is reached in Step 1, the employee will complete a grievance form and submit it to the Dean of Student Support Services within (10) ten working days of the response at Step 1 of this procedure. The Dean of Student Support Services will meet with the employee and the steward within twenty (20) working days of receipt of the grievance form. The Dean of Student Support Services will respond in writing to the employee and the steward within twenty (20) working days of the meeting.

Step 3

If no settlement is reached in Step 2, the Union may request a meeting between a representative of the Union and the Director, Human Resources within twenty (20) working days of the response at Step 2 of this procedure. The Director, Human Resources respond within twenty (20) working days of this meeting.

Step 4

If settlement is not reached through the foregoing procedure, the grievance may be referred to a Troubleshooter and/or Arbitration Board. When either party requests a grievance be submitted to arbitration or the Troubleshooter, the request will be submitted to the other party in writing within twenty (20) working days of the response provided at Step 3 of this procedure.

5.2 Time Limits

When the recipient of the grievance fails to respond within the time limits prescribed in the grievance procedure, the grievance will advance to the next step of the grievance procedure. The person responsible for initiating the grievance of the Union will be responsible for advancing the grievance to each succeeding step. The time limits will begin upon receipt of the grievance. If the time limits are exceeded the grievance will be deemed to be abandoned and all recourse to the grievance procedure will be at an end.

5.3 General Application Dispute

If a difference of a general nature arises between the College and the Union concerning the interpretation, application, operation or alleged violation of this Agreement which does not specifically involve an employee, a written grievance will be submitted within thirty (30) working days from the date either party became aware of the incident prompting the grievance, by the College to the Union, or by the Union to the College, as the case may be, and Step 3 of Article 5.1 – Grievance will apply.

5.4 Amending Time Limits

Whenever a stipulated time is mentioned herein, the said time may be extended by mutual consent of the parties, provided such extension is requested prior to the expiry of the time allowed.

5.5 Troubleshooter

Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or regarding the interpretation, application, operation or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Agreement, Dave McPhillips, Stan Lanyon, Judi Korbin or Daniel Johnston if they are available within thirty (30) working days, or a substitute agreed to by the parties, will, at the request of either party:

- B) Define the issue in dispute, and
- C) Make written recommendations to resolve the difference;

within twenty (20) days of receipt of the request, and for those twenty (20) days from the date of their appointment, time does not run in respect of the grievance procedure.

In the event the parties are unable to agree on a Troubleshooter within a period of thirty (30) days, either party may apply to the Minister of Labour for the Province of British Columbia for the appointment of a Troubleshooter.

The cost of the Troubleshooter will be shared by the parties.

5.6

Failing settlement at this step, the grievance may be referred to arbitration.

5.7 Professional Responsibility

In the interest of safe patient care and safe nursing practice, the parties agree to the following problem solving process to address employee concerns relative to patient care including:

- A) Nursing practice conditions
- B) Safety of patients and nurses
- C) Workload

Step 1

Within ten (10) calendar days of an issue becoming a concern the nurse will discuss the matter with her immediate supervisor. If the issue is not resolved, the nurse will complete a Professional Responsibility Form within ten (10) calendar days of the discussion with the supervisor and submit to the Dean of Student Support Services.

Step 2

Within ten (10) calendar days of receipt of the Professional Responsibility Form the Dean of Student Support Services will convene a meeting between the nurse and a representative of the British Columbia Nurses' Union. The parties will attempt to resolve the issue. The nurse will receive a written response from the Dean of Student Support Services within ten (10) calendar days of the above meeting.

Step 3

If the issue is not resolved to the nurse's satisfaction, the British Columbia Nurses' Union representative may submit the matter to the Troubleshooter. The Troubleshooter will inquire into the issue and make recommendations to the parties to resolve the matter. Such recommendations must recognize the uniqueness of the College and its working environment. It is agreed that issues raised under this clause cannot be the subject of arbitration.

ARTICLE 6 – ARBITRATION

6.1

Either party may, within the time limits prescribed in Article 5 – Grievance Procedure, refer any grievance, dispute or difference unresolved through the procedures in Article 5 – Grievance Procedure, to a Board of Arbitration which shall have the power to determine whether any matter is arbitrable within the terms of the Agreement and to settle the question to be arbitrated.

6.2

The party requesting arbitration shall notify the other party of its intent to arbitrate and its appointee to the Arbitration Board. The recipient of this notice shall, within ten (10) calendar days, notify the other party of its appointee to the Arbitration Board.

6.3

The two appointees shall, within a further ten (10) calendar days, select a third person to act as Chair. If the two appointees fail to agree upon a Chair within this ten (10) calendar-day period, either party may request the Minister of Labour of British Columbia to make the appointment.

6.4

The Arbitration Board shall issue a decision and the decision of the Board shall be final and binding upon the parties.

6.5

Each party shall be responsible for the expenses of its appointee and the expenses of the Chair shall be shared equally by the parties.

6.6

By mutual agreement between the Union and the College, a single arbitrator may be substituted for the Arbitration Board established in this Article.

ARTICLE 7 – STRIKES AND LOCK-OUTS

7.1

During the term of the Collective Agreement, the Union agrees that there shall be no strike and the College agrees that there shall be no lock-out.

7.2

Subject to a Labour Relations Board directive, if an employee employed under the terms of this Collective Agreement refuses to cross a legal picket line, they shall not be subject to disciplinary action by the College. Any employee refusing to cross a legal picket line shall be considered absent without pay.

ARTICLE 8 – UNION MANAGEMENT COMMITTEE

8.1

A Union Management Committee shall be established. The College and the Union shall each appoint up to two (2) representatives to the Union Management Committee.

8.2

Meetings of the Committee shall be held at the call of either party. Unless mutually agreed otherwise, meetings shall not exceed one (1) every two (2) months.

8.3

The Committee shall meet to discuss matters of mutual concern relating to employer/employee relations in order to foster better relations between the College and its employees. The Committee shall not have the power to bind the Union or its members or the College to any decision or conclusion reached in discussion. The Committee shall have the power to make recommendations to the Union and the College.

It is recommended that the Committee provide, in advance, topics of discussion which may include administration of the Collective Agreement, introduction of new or revised programs and matters of safety.

The Committee shall not supersede the activities of any other committee of the Union or the College.

ARTICLE 9 – POSTING OF VACANCIES

9.1

When a vacancy occurs or a new position is created within the jurisdiction of this Collective Agreement, a notice of such vacancy shall be posted in the Health Services office for a minimum of five (5) working days and up to ten (10) working days whenever possible, at the discretion of the College.

The notice shall contain information related to classification, salary range, qualifications and experience desired and the current job location. The College may externally advertise such vacancy provided the advertisement does not appear prior to the appearance of internal postings.

9.2

The College may make a temporary appointment, without postings for periods of up to thirty (30) working days if the former incumbent has terminated their employment. The period above may be extended by mutual agreement of the College and the Union.

9.3

Temporary postings with a duration of more than thirty (30) working days shall be posted but such temporary employment shall not exceed twelve (12) months unless the Union and the College mutually agree to extend this time.

9.4

The College shall post the name of the successful applicant in all Health Services locations within five (5) days of making any appointment.

ARTICLE 10 – PROMOTION, DEMOTION OR LAY-OFF

10.1 Salary on Promotion

In cases of promotion, an employee shall receive a salary increase of not less than one (1) full increment above their salary and classification at the time of promotion.

10.2

In the promotion, demotion or lay-off of all employees covered by this Agreement, efficiency, qualification and competency shall be the primary consideration and where such requirements are equal, seniority shall be the determining factor.

10.3

If a regular employee is promoted to a position and is found to be unsatisfactory in the new position within six (6) months' of the promotion, then the employee shall be returned to her previously held classification without loss of seniority or accrued benefits and the employee shall be slotted at the increment step to which s/he would have been entitled had not the promotion occurred. It is agreed that the time stipulated herein may be extended by mutual agreement.

10.4 Lay-off and Recall

Should the College decide to reduce staff or to eliminate a position(s) within the scope of this Collective Agreement, the Union shall be so advised and, prior to any action taken, consultation with the Union shall promptly take place in an endeavour to minimize the impact of such action on the affected employee(s).

10.5 Lay-offs

Should the employee in the affected position be a "Regular" employee, s/he shall have the right to displace another "Regular" employee with less seniority in the bargaining group, provided the affected employee is qualified and willing to perform the work currently required of the employee being displaced. Should no such position be available, a "Regular" employee shall have the right to displace a probationary or temporary employee, provided s/he is qualified and willing to perform the work currently required of the employee being displaced.

Should a "Regular" employee assume a less than full-time position, their salary shall be on a pro-rated basis.

Should a "Regular" employee displace a probationary or temporary employee, the employee will, in all respects, continue to be a "Regular" employee. Upon lay-off, the College shall make available to the "Regular" employee, compensation on termination in addition to required notice or pay in lieu thereof. Employees, upon accepting such compensation shall forego all rights to displace and all recall rights under this Clause. Should such compensation not be accepted, recall rights shall be preserved.

Entitlement to compensation on termination shall be on the following basis:

- One (1) months pay for less than four (4) years continuous service as a regular employee;
- Two (2) months pay for four (4) years or more but less than six (6) years continuous service as a regular employee;
- Three (3) months pay for six (6) years or more but less than eight (8) years continuous service as a regular employee;
- A maximum of four (4) months pay for eight (8) years or more of continuous service as a regular employee.

10.6

An employee not appointed to another position in accordance with the foregoing shall be laid off and shall be entitled to notice or pay in lieu thereof on the basis of a minimum of four (4) weeks' notice and, after the completion of five (5) consecutive years of employment, five (5) weeks' notice and for each subsequent completed year of employment, an additional one (1) weeks' notice, up to a maximum of eight (8) weeks' notice, and after the completion of ten (10) consecutive years of employment, ten (10) weeks' notice.

10.7 Recall

Should work become available, "Regular" employees who have been laid off for a period of twelve (12) consecutive months or less are subject to recall and shall be recalled in the order of their seniority, provided they are qualified and willing to perform the work made available to them.

The College shall give notice of recall by registered mail to the employee's last known address. The employee must notify the College of their acceptance of the recall within seven (7) working days of the receipt of the recall notice, and they must report for work on the specified recall date. If they fail to do so, they will forfeit all further rights to recall unless they have reasonable grounds for not reporting for work on the specified recall date.

ARTICLE 11 – PROBATIONARY PERIOD

11.1

All regular employees shall be probationary during their first six (6) calendar months of employment. Upon completion of this probationary period, the employee shall be granted seniority dating from the first (1st) day of employment with the College.

During the probationary period, the employee may be transferred or dismissed by the College if the College finds the employee to be unsatisfactory.

The term “six (6) calendar months” is defined as the period from any given date in one month to the immediately preceding date six (6) months later.

By mutual agreement between the College and the Union, the probationary period may be extended or reduced. No probationary period shall be less than four (4) months.

11.2
