Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) is referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the employee/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

Pacific Blue Cross
Extended Health Care (EHC)

Integration with Government Plans

Extended health care benefits are intended to supplement and not overlap benefits under government plans such as the Medical Services Plan and Fair PharmaCare Program of British Columbia. You are required, as a condition of coverage, to take all reasonable steps to qualify and obtain the fullest extent of coverage, benefits, contribution, or reimbursement available under all applicable government plans. We

will also make payment only where permitted by provincial/territorial legislation or other applicable law.

Effective Date of Coverage and Enrolment

If you are eligible for coverage, you must complete an application card within the Enrolment grace period to ensure that your coverage starts on the correct effective date.

You should apply for Dependent coverage (when applicable):

- 1) on the same date you apply for your own coverage, or
- 2) within the Enrolment grace period if you have a new Dependent.

Limitations:

- 1) If you are not actively at work on your coverage effective date, your coverage effective date will be delayed until you return to active full-time employment.
- 2) If we do not receive your application card within the required time limits, please refer to the Late Applicant section.

Provided you and your Plan Administrator have complied with our enrolment rules, your coverage effective date is shown on our website at www.pac.bluecross.ca/caresnet or from your Plan Administrator.

Should you require additional information about when your coverage starts, please contact your Plan Administrator.

Late Applicants

If you did not apply during the Enrolment grace period but request coverage later (for yourself and/or your Dependents), ask your Plan Administrator to explain the requirements for late enrolment in your Group Plan. Note: Different benefits may have different requirements – evidence of insurability or retroactive premium payment. In some instances, coverage may be denied.

Beneficiary

This plan does not permit you or your Dependents to designate a personal representative or a beneficiary to receive benefits. Any benefit amount owing will be paid to your estate or to you for a deceased Dependent.

Identification (ID) Cards

We will issue identification (ID) cards for distribution by your Plan Administrator.

You may be asked to substantiate that an individual you claim as a Dependent meets the definition of Dependent for your group.

Claims

- 1) All claims must be submitted to us in English.
- 2) We pay eligible claims when we receive all the required information within the required **time limits**. We encourage you to become familiar with the time periods allowed for claiming benefits. Under the Claims sections, we fully describe the claiming deadlines for each benefit. No payment will be made if we receive your claim after the time limits described in this booklet.
- 3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.
- 4) The necessary claim forms are available from your Plan Administrator or on our website at www.pac.bluecross.ca/caresnet
- 5) The exchange rate on foreign currency is payable at the rate quoted by selected Canadian financial institutions for the date on which the expense was paid. Fluctuations in exchange rates are not our responsibility.

Duplicate Coverage

If you and your Spouse work for the same employer, please check with your Plan Administrator to see if Duplicate coverage is allowed for dental and extended health care benefits.

If you and your Spouse work for different employers and you are both enrolled for similar benefits, Duplicate coverage is allowed.

If you are eligible for Duplicate coverage, you and your family should discuss both plans (and what portion of the benefits you pay) to determine whether it is to your advantage to enrol under more than 1 plan.

Your Plan Administrator will advise you if you are eligible to waive certain benefits under this group plan.

To avoid any misunderstanding, we suggest that your Dentist submit an outline of the proposed services to us **before you start treatment**. This is important especially when your Dentist is recommending extensive dental work. This will help you understand what portion of the Dentist's bill must be paid by you in the event that you wish to proceed with the treatment recommended by your Dentist.
- 2) We suggest that you submit claims within **90 days** of the completed date of services (earlier if possible). Failure to submit a claim within the 90 day limit will not invalidate the claim if it is submitted as soon as reasonably possible. However, in no event will we pay any claim or adjustment received later than **12 months** from the date the service is performed.

- 4) Before your Dentist starts treatment, please ask them how billing is made. We may pay in either of 2 ways:
 - a) If you have paid your Dentist directly, we will reimburse you the benefit amount when we receive:
 - i) a claim form signed by the patient that is either submitted with a receipt or is signed by the dental Provider showing the services performed and the fee charged, or
 - ii) an electronic claim showing the services performed and the fee charged. The dental Provider must have the

consent of the patient on file to permit the disclosure of the patient's personal information between the Provider and Pacific Blue Cross.

- b) For pay direct claims, we will pay the benefit amount to the Dentist directly for services provided under this benefit plan when we receive:
