Langara College welcomes your application for admission.
Please consult the College Calendar and read the following information carefully before completing the application.

**Application Fee:** $40.00 for Canadian Citizens and Permanent Residents; $155.00 for International Students. This fee is non-refundable and covers applications to more than one program.

**Admission**
Post-degree programs are designed for students who possess a bachelor's degree wanting to enhance and broaden their professional skills.

The programs provide a specialized credential for a practical application and to augment employment opportunities. A post-baccalaureate program will also be valuable to international students who wish to earn a Canadian credential and further their studies in a concentrated format.

**Applicants for Permanent Residence or Convention Refugees:** must contact the Registrar & Enrolment Services for further information.

**International Students:** Applicants who are neither Canadian Citizens nor Permanent Residents apply as International Students. Please refer to the Langara College Calendar and the International Education application packet for details. Some career and arts and science limited enrolment programs do not accept international students. Please check with the Registrar & Enrolment Services for details.

**Application Status**
Applicants can monitor the status of their application on the myLangara web portal at www.langara.bc.ca/login.

**Re-activation of Application**
If applicants do not register in the semester to which they have been admitted, their application becomes inactive. To reactivate an application for another semester, applicants must submit a Reactivation Request Form available on the Langara College website under Student Forms.

Reactivation of an application is free if the reactivation request is made for the three semesters immediately following the first semester for which application was made.

**PROGRAM GUIDE**
Please select your program from the following list. All programs listed below have limited enrolment and require completion of a degree from a recognized post-secondary institution. Students wanting to complete a post-degree program may be required to meet additional admission requirements. Program information is available via the web at www.langara.bc.ca
