REGISTRAR & ENROLMENT SERVICES

Application deadline: February 1

IMPORTANT INFORMATION

APPLICATION FEE

The application fee is \$55.00 (non-refundable). The application fee includes the processing of the graduation application and if eligible to graduate, an expedited confirmation of eligibility to graduate letter that can be used to support a Post-Graduation Work Permit application. Graduation applications received after the deadline, noted above, will be charged an additional \$25.00 late fee.

MULTIPLE CREDENTIALS

You must complete a separate application form for each credential. A minimum of 50% of credits applied to the second credential of the same level must be new courses. See [Credential Regulations](#).

ELIGIBILITY

It is your responsibility to ensure that you have met all of your credential requirements. Please ensure that you have registered for your final classes before submitting your application for graduation. If you are not eligible for graduation, a letter will be issued stating the reasons why. If your application is pending successful completion of your currently registered course(s), there will be no correspondence until we re-evaluate your application after the semester has ended. If your application is approved, a graduation confirmation letter will be issued. Once your application has been approved, there will be a notation on your transcript indicating the program and completion semester. Parchments are issued only once per year in June.

STUDENT RECORD

If you are not currently officially declared into the program you wish to graduate from, the program on your student record may be changed to match the credential awarded.

TRANSFER CREDIT

To qualify for a credential from Langara College, students are required to complete a minimum of 40% of course credit at Langara College. All courses and credits required (including transfer credits from other institutions) for your credential must be on your Langara transcript before **April 30** to be considered for convocation in June.
