

Making Langara Extraordinary Every Day

Langara is a special place with a thriving giving community. Each day, we see the immense impact of quality education as our students grow in confidence, recognize the opportunities ahead, and realise their potential. Although 2021 was tough, through it all, our colleagues and devoted educators stepped up to support our students.

As our college community grows, there is an increased need for funding for student support, teaching and learning initiatives, and special projects. Thanks to you, our students go on to do amazing things. Join our employee giving program and help deserving students achieve their dreams. Together, we have the power to make a real difference.
