HOW TO SUPPORT LANGARA STUDENTS

Langara College
Foundation

MAKING LANGARA EXTRAORDINARY EVERY DAY

Langara is a remarkable place with a thriving community built between devoted educators, colleagues, and our students. Each day, we see the positive impact of quality education as our students grow in confidence, recognize the opportunities ahead, and realize their potential. Though 2020 was exceptionally challenging, through it all, our community stepped up to support our students.

From the success of our annual Support our Students (SOS) celebration to the many scholarships created by our employees, the spirit of giving is alive at Langara. In 2020, despite the challenges of COVID-19, **416** employees donated **\$270,163.38** after matching towards scholarships, bursaries, and projects that help us ensure that every student has the support needed to complete their educational journey.

As our College and student community continues to grow, there is an increased need for funding for student support, teaching and learning, and innovative projects. Thanks to you, our students go on to do amazing things. Join our employee giving program and help deserving students achieve their dreams. Together, we have the power to change our students' lives.

PIVOTING TO POSSIBILITIES

Emergency Relief Fund

2020 was a year of change and uncertainty. However, the passion for supporting our students has never been stronger.

March saw the launch of the Emergency Relief Fund appeal to provide quick support to students affected by the pandemic. Since then, our College community has helped raised over \$193,000 to help students financial needs through the crisis.
