snəwəyət leləm

We respectfully acknowledge that snəwəyət leləm, Langara College is located on the traditional, ancestral, and unceded territory of the Musqueam People.

In 2016, Musqueam gifted us with the name snəwəyət leləm – “house of teachings” – a lasting expression of our shared commitment to learning, community, and reconciliation.

Why Langara?

We provide the pathways and support to reach your academic and career goals.

START HERE. TRANSFER ANYWHERE

Start your university journey at Langara with smaller classes, personalized support, and affordable tuition. Then transfer seamlessly to the University of British Columbia, Simon Fraser University, University of Victoria, or another leading university to complete your degree.

" I chose Langara because it seemed like a strong option for transferring to UBC/SFU. My instructors were undoubtedly my greatest academic support.

— **Axel Gael Velasquez Castaneda**, *Computer Science*

START YOUR CAREER

Gain practical, job-ready skills through hands-on learning, paid work experience, co-op, clinical practicums, and applied research in nursing, design, data science, recreation, early childhood education, and more.

" The Design Formation program allowed me to explore a variety of practices where I [uncovered] what I was passionate about, [as well as] armed me with a diverse skillset that I draw from in my current role.

— **Aly Mireu**, *graphic designer*

" Being selected for this scholarship felt like recognition of my journey, my challenges, and my determination to succeed. It gave me a sense of validation and reassurance that my goals are achievable despite the obstacles I have faced.

Layla Ayyash, 2026 Beedie Luminaries scholarship recipient

Supports

We're here to support you at every step along the way through a variety of academic, mental health, and wellness supports.

Applied Research Centre (ARC) offers paid, hands-on research opportunities that go beyond the classroom.

The **Centre for Career and Work Integrated Learning** connects you to co-op opportunities, job skills, resources, and employers.

Academic Advisors help you choose courses, plan your path to university, and understand requirements and prerequisites.

Accessibility Services reduces barriers to learning and participation in our community for students with disabilities.

Counsellors are here to support your mental health and wellbeing.

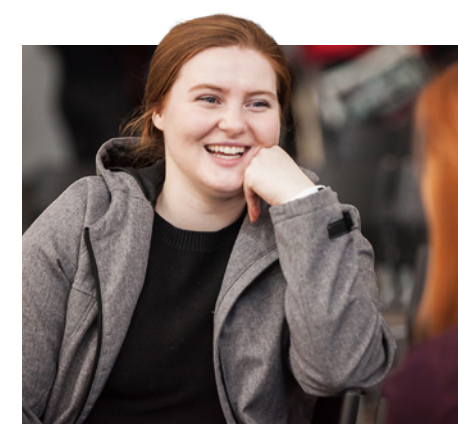

Health Services provides confidential, friendly, and accessible medical care.

Join **Athletics** to build sportsmanship, experience teamwork and become a Falcon.

The **Gathering Place** is where Indigenous students study, socialize, and connect with community.

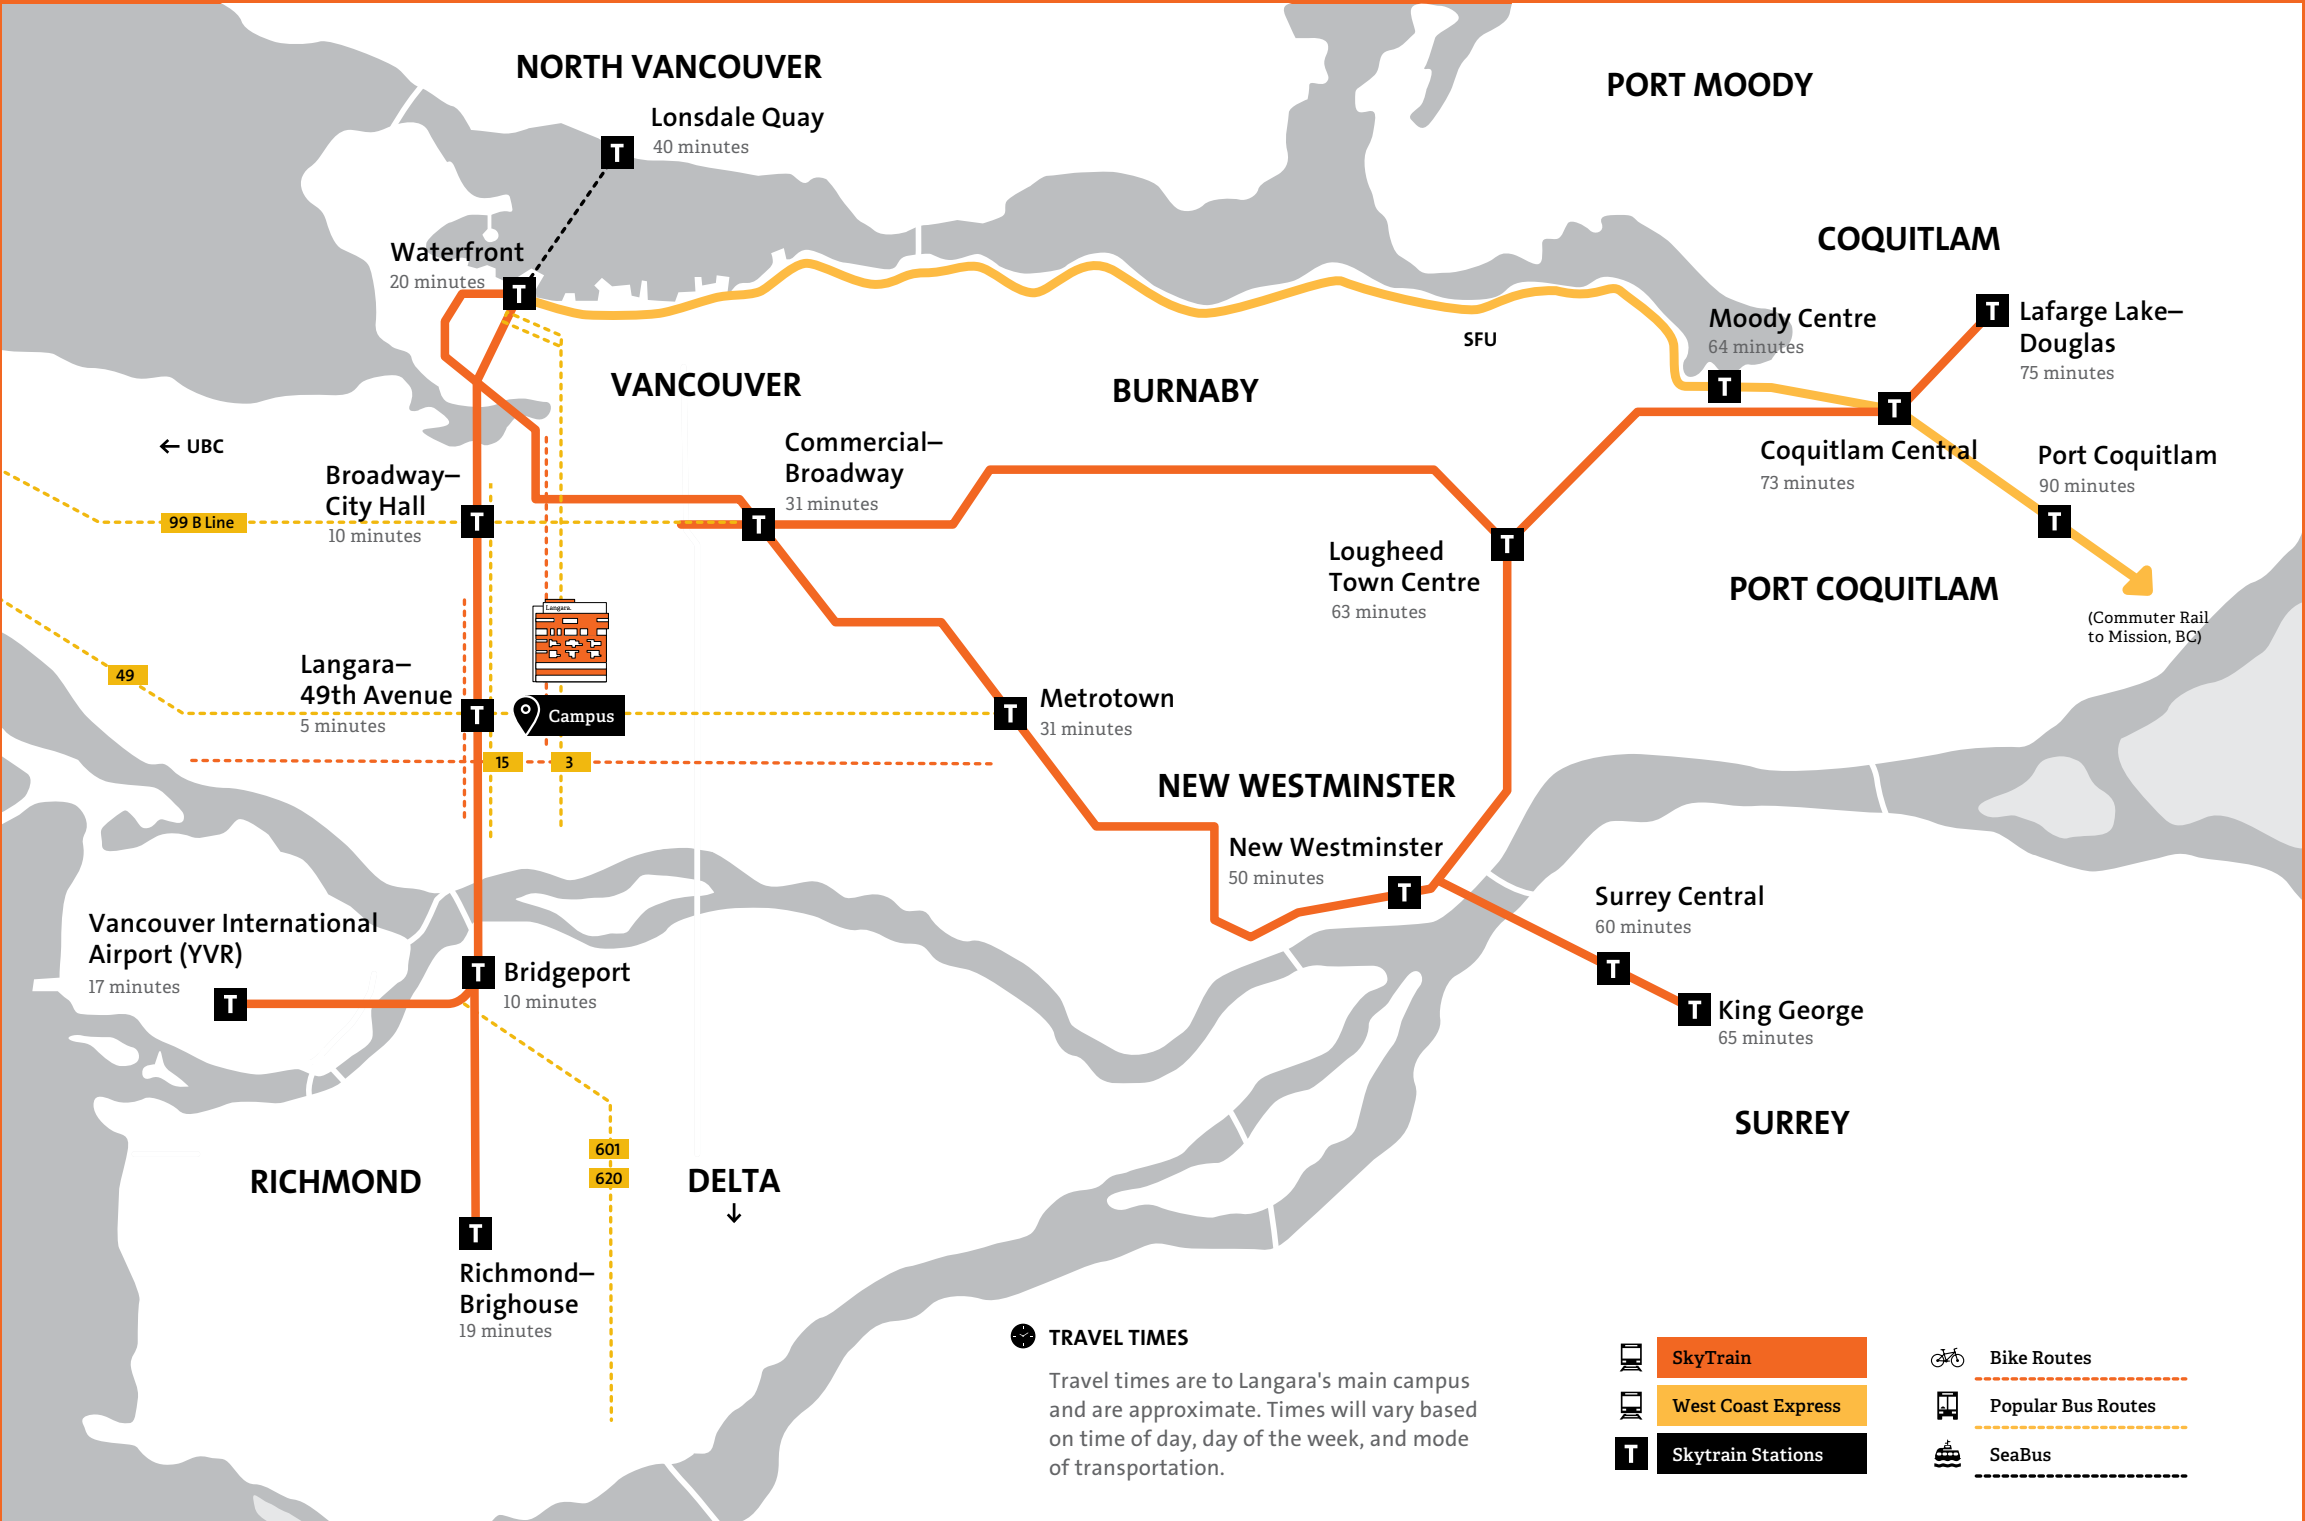

Student Life is where to find student clubs, volunteer opportunities, connect with other students, and get support.

Study abroad through exchange programs and field schools to experience different cultures.

Location

Located near the heart of Vancouver at Musqueam, Langara College is within walking distance to major bus routes and the Canada Line.
