<b>Number</b>	<b>E2007</b>
<b>Category</b>	<b>Student Services</b>

## 1. PURPOSE

This policy establishes circumstances that would warrant the consideration of an aegrotat grade.

## 2. DEFINITIONS

**Aegrotat grade** – a grade given on medical or compassionate grounds by the Registrar.

**Appropriate professional** – is a listed professional as identified in Appendix I.

## 3. POLICY

- 3.1 An aegrotat grade may be granted for a student in certain circumstances where the student is unable to complete the course work because of a permanent disability or an incapacity of a catastrophic nature that extends beyond the last day of the first month of the next semester.
- 3.2 A request for an aegrotat grade due to a permanent disability or an incapacity of a catastrophic nature must include a written submission to Registrar and Enrolment Services with documented evidence from an appropriate listed professional.
- 3.3 To be eligible for an aegrotat grade for a course that was taken, a student shall have at least 75 percent of the course work completed (exclusive of a final exam), with a minimum D grade in the course to date.
- 3.4 External accreditation requirements and other constraints necessitate that not all courses will be eligible for an aegrotat grade. Courses not eligible for an aegrotat grade include, but are not limited to, those listed in Appendix II.
- 3.5 Where an aegrotat grade is awarded, the grade is presented as a minimum pass for graduation purposes. If a student wishes to use an aegrotat grade for prerequisite or program progression purposes, departmental permission will be required.
- 3.6 An aegrotat grade is not calculated into the cumulative grade point average, full course credit is assigned, and the grade is noted as AEG on the transcript. If the student wishes to pursue a higher grade the student should request a deferred standing.
