

## Statistics Diagnostic Test Review Books

Books that can help with preparation for the Statistics Diagnostic Test (SDT) can be found at Langara's library, on the **3rd floor** in the **QA call number area**. Books from this list have a **blue MDT sticker** on the spine. They can also be found in the library catalogue using the [Math Diagnostic Test \(MDT\)](#) tag.

Use the links in each section of the list to find additional titles, including ebooks.

<b>Stats Diagnostic Test (SDT): Basic Arithmetic/Algebra</b>		
<b>Topics: fractions, decimals, exponents, order of operations</b>		
<b>QA 39.3 A94 2016*</b>	Basic College Mathematics	Aufmann
<b>QA 39.3 B58 2015*</b>	Basic College Mathematics	Bittinger
<b>QA 39.3 T63 2009</b>	Basic College Mathematics	Tobey
<b>QA 107 W75 1991</b>	Arithmetic for College Students	Wright
<b>QA 152.4 B53 2018</b>	Elementary Algebra: Concepts and Applications	Bittinger
<b>Online</b>	<a href="#">Prealgebra</a> - ebook	Marecek
Any “ <b>basic mathematics</b> ” from <b>QA39.3/QA107</b> or “ <b>basic algebra</b> ” from <b>QA152.2-154.2</b>		
Any title tagged <a href="#">MATH 1101/STAT 1124</a> in the library catalogue.		

**Note:** The \* next to the publication year (ex., 2015\*) indicates older editions are also suitable for SDT review.
