

Domestic Student Graduation Application Form

REGISTRAR & ENROLMENT SERVICES

Application deadline is February 1.

IMPORTANT INFORMATION

APPLICATION FEE

The graduation application fee is \$25.00 (non-refundable). Applications received after the February 1 application deadline will be charged an additional \$25.00 late graduation application fee. The last day to submit a late graduation application to ensure processing is completed in time to participate in the annual convocation ceremony, held in June, is March 15. Applications received after March 15 may not be processed in time for June Convocation.

MULTIPLE CREDENTIALS

You must complete a separate application form for each credential. A minimum of 50% of credits applied to the second credential of the same level must be new courses. See [Credential Regulations](#).

ELIGIBILITY

It is your responsibility to ensure that you have met all of your credential requirements. Please ensure that you have registered for your final classes before submitting your application for graduation. If you are not eligible for graduation, a letter will be issued stating the reasons why. If your application is pending successful completion of your currently registered course(s), there will be no correspondence until we re-evaluate your application after the semester has ended. If your application is approved, a graduation confirmation letter will be issued. Once your application has been approved, there will be a notation on your transcript indicating the program and completion semester.

STUDENT RECORD

If you are not currently officially declared into the program you wish to graduate from, the program on your student record may be changed to match the credential awarded.

TRANSFER CREDIT

Please refer to Policy No. F1001, Credentials (Regular Studies), or Policy No. F1011, Credentials (Continuing Studies), for the course credit requirements of your program. All courses and credits required (including transfer credits from other institutions) for your credential must be on your Langara transcript before **April 30** to be considered for convocation in June. Requests for transfer credit to be used towards graduation requirements must be submitted, along with official transcripts, a minimum of eight weeks prior to the end of the semester in which you will be graduating.

GRADUATION EXEMPTION

[Graduation Exemption](#) is intended for students who wish to graduate and require an exemption from the standard requirements of the program and/or College policy. Requests for graduation exemptions can take up to three months to complete.

CONVOCATION CEREMONIES

Convocation will take place in June. Specific ceremony dates and times will be posted on the [Convocation page](#) when they become available.
