U-Pass BC Program Medical Exemption Form

PROGRAM INFORMATION

U-Pass BC is a mandatory program that provides Langara College students with unlimited access to TransLink services in Metro Vancouver. Langara's agreement with TransLink allows for students to be ineligible or exempted in very specific and limited situations.

This includes:

- students registered in less than three credits,
- students who hold a valid transit pass (not including monthly pass) or U-Pass BC from another post-secondary institution for the semester,
- students who are permanently or temporarily disabled and whose physical or cognitive barriers cannot be accommodated by using the U-Pass BC benefits, and
- students who do not reside in and do not attend on-campus classes in Metro Vancouver.

Please note: Exemption requests are submitted for each four-month academic term, unless the condition is indefinite.

If you have any questions about your eligibility, please email upass_admin@langara.ca.
