- Items that are ~~struck through~~ are deletions from previously published curricula.

Credentials

To qualify for a credential from Langara College, all requirements specific to each program outlined in this calendar must be completed. In addition, students are required to complete a minimum of 50% of the credential's course credit at Langara.

~~Of the 40% of credit required for completion of baccalaureate degrees, associate degrees, diplomas, and certificates at the College, the final course credits must be completed as stipulated:~~

- ~~Baccalaureate Degree: 39 of the last 48 credits must be completed at Langara.~~
- ~~Associate Degree or Diploma: 18 of the last 24 credits must be completed at Langara.~~
- ~~Certificate: Nine of the last 12 credits must be completed at Langara.~~

For post-degree diplomas, post-degree certificates, citations, and microcredentials, all credits must be completed at Langara.

MULTIPLE CREDENTIALS

A minimum of 50% of credits for a second or subsequent credential of the same level must be new courses that have not been used to satisfy requirements for a previous credential.
