Why is this important for us to know and learn?

native-land.ca
musqueam.bc.ca

- We are all connected to the earth and to the land
- We should be thankful for the land that supports us and gives us life
- We should be thankful towards Indigenous peoples who have taken care of these lands
- It is our responsibility, as settlers in Canada, to learn about the relationship between Canada and Indigenous communities
- It helps develop positive relationships between newcomers and Indigenous peoples

CONTINUING STUDIES AND LEAP STUDENTS

This is intended for students in a [Continuing Studies program](#) or [LEAP](#) only.

Upon arrival, you will need to apply for [Medical Services Plan \(MSP\)](#) as it is mandatory in the province of British Columbia (BC) for international students to have medical insurance. Since BC MSP does not begin until 3 months after your arrival, you will need to purchase private insurance for those first 3 months. Once your travel arrangements are made, buy the insurance to begin on your first day in BC, for 3 months. To begin, click on the “Apply for Insurance” icon below.

If you are in a Regular Studies program, please refer to the Returning Regular Studies Students or Early Arrivals pages to purchase your insurance or for more information. Do not purchase insurance from this page.
