Adult Mandarin – Level 1

\$364.59

This beginners' course starts with an introduction of the Pinyin system, a tool for mastering the pronunciation of Chinese words. The next lessons present a variety of situations which students may encounter in their everyday lives, including meeting people, asking about jobs, talking about hobbies and favorite cuisines, and chatting about weather and activities. The lessons focus on demonstrating how Chinese speakers should interact in each context. Vocabulary and grammatical structures are carefully chosen to facilitate communication. Classroom interaction exercises operationalize learnings, and supplementary words or phrases equip students with the necessary resources to express themselves. Through reading cultural notes, students gain a better understanding of Chinese customs and language. The task-based homework exercises help students practice the skills needed in different social settings.

Adult Mandarin – Level 4

\$364.59

Level 4 focuses on the most cherished and significant holidays in Canada. During these holidays, at events, including Canada Day and the Lion Dance of Chinese Spring Festival, Canadians from different backgrounds and across the country congregate to celebrate and preserve our traditions. Not only is the holiday the dominant theme of each lesson, but holiday activities are also illustrated in detail, such as camping, parties, potlucks, and shopping. The lessons equip students with the necessary vocabulary and structures to describe their holiday celebrations through oral presentations. Each topic is presented in tandem with a reading passage closely related to the main text, with formal writing woven into the reading. The addition of formal writing prepares students for further newspaper readings and essay writings.
