Information Session

Langara.
ʔə ʔ xʷməθkʷəyəm | at Musqueam

snəw'eyəł leləm' Langara College
acknowledges with respect our
location on Musqueam unceded,
traditional and ancestral territory.

We are grateful for our relationship
with Musqueam, who gifted us with the
name **snəw'eyəł leləm'**, *house of
teachings*,
in 2016.

A photograph of a park path with autumn trees and banners. The path is paved and leads into a grassy area with more trees. On the left, there are several banners hanging from poles. The banners have text like "shaveyat lehar", "CONNECT", "BEYOND", and "CELEBRATE". A person is sitting on a bench in the distance.

Agenda

1. Intro to the Library Field
2. Langara Program Profile
3. Admissions Process
4. Curriculum
5. Pathway Programs
6. Other Details
7. Connect with us
8. Q & A

**Why choose the
Library field?**

Types of library workers

- Librarians (Master's Degree)
- Library Technicians (**Diploma**)
- Library Assistants (Grade 12)

Types of Libraries and Information Centres

Academic

- College or university

School

- Elementary and secondary schools
- Public and private

Public

- Large, small, main/branches, urban/rural

Special

- Corporate, non-profit, arts/cultural, national, government, medical, legal, etc.

Non-Traditional

- Non-Traditional: providing technical support, consulting, web design, database design, records management, digital curation, information architecture / UX, research, etc.

Library of Parliament, Ottawa

Salary

- Median annual salary for library technicians is \$60,506
- Average earnings between \$41,710 to \$71,060

Where do Library Technicians work?

Library Technicians and Assistants Section (LTAS) of the British Columbia Library Association's 2013 survey, responded to by individuals from 7 provinces and 1 from out of country, indicates the approximate percentage of technicians and assistants is distributed as following:

Source: <https://bclaconnect.ca/ltas/documents/>

Library Work

Public Services

- Circulation, reference, help desk, adult or children's services, ILL, outreach, etc.

Technical Services

- Acquisitions, cataloguing, processing, serials, etc.

Technical Support

- System support, library web page, computer lab instruction, etc.

By **Kampus Production** <https://www.pexels.com/photo/a-man-teaching-elderlies-to-use-a-laptop-7983549/>

Working conditions

- Part time, on call, and temporary contracts to start
 - Evening and weekend work is common
 - 35 – 40 hours per week
- Unionized environment (usually good benefits)

Associations & job postings

- Partnership National Library Jobsite of Canada
- British Columbia Library Association
- Library Technicians and Assistants Section (LTAS)
- Canadian Federation of Library Associations
- Special Libraries Association – Featured Jobs
- Langara Library & Information Technology Listserv

BC Student Outcomes

Langara Library & Information Technology Program

Summary

Former post-secondary students were asked about their educational experiences, subsequent employment, and further studies. Here is a summary of the results:

Gender

19% were men
81% were women

Median age

39

Satisfaction rate

96%

97%

said the **quality of instruction** was very good, good, or adequate

66%

of employed respondents were **working full-time**

16%

took further studies

89%

of employed respondents were **in a job related to their program**

Data retrieved July 2026 from https://bcstats.shinyapps.io/so_data_viewer/

Why Langara?

- Recognized across Canada.
- One of only two programs in BC.
- Courses offered in Fall and Spring.
- Usually only one course during the summer (often it is online).
- Flexible participation option is entirely online.
- Core courses for In person option is entirely on campus.
- Hybrid allows you to study with a combination of online and on-campus courses.

Hands on learning

2 practicums

- Job shadowing
- Project work
- Entry level library work

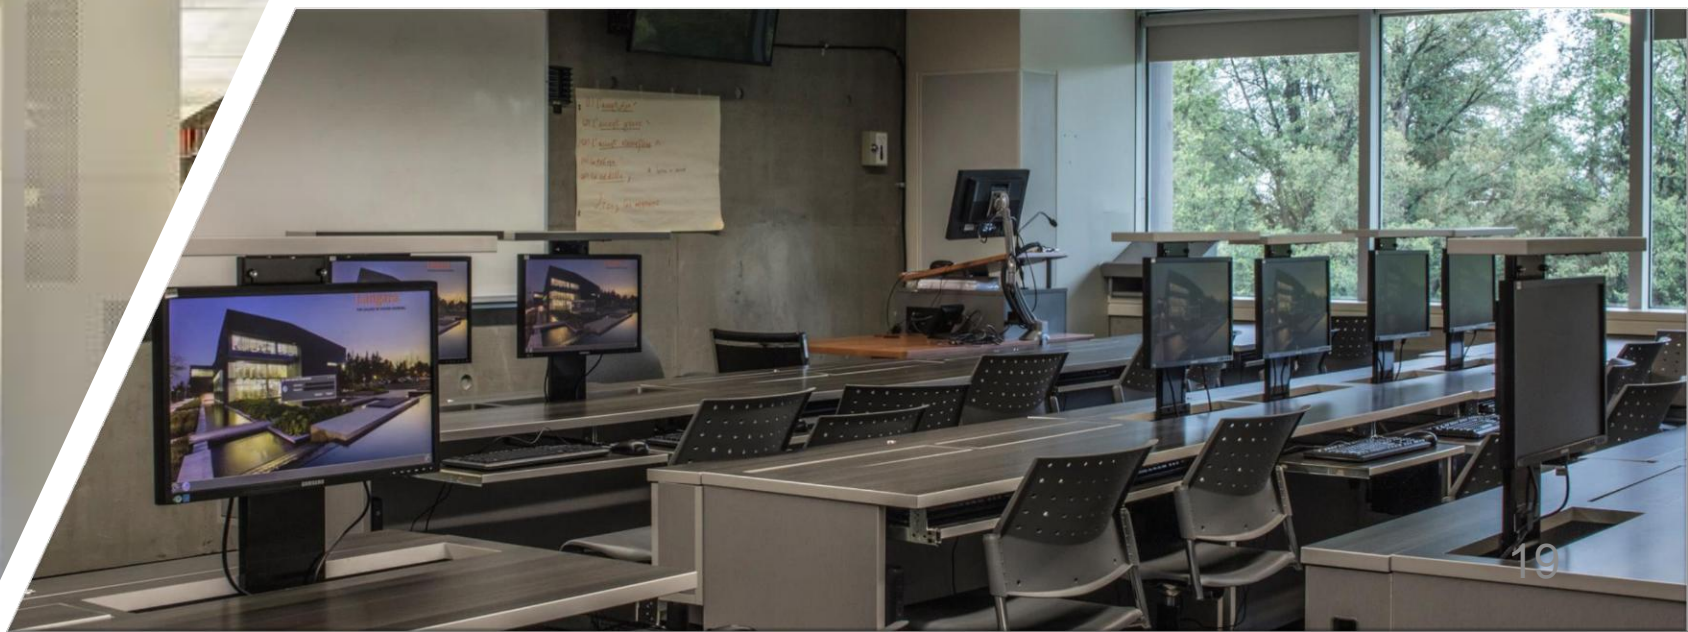

13 technical courses

- Including 2 practicums
- Hands-on instruction methods
- Opportunities to try methods with instructional computer labs

Applying to
Langara is easy.

Admission Requirements

BC Grade 12 graduation (or equivalent)
or 19 years of age or older.

English category 2

- 70% English 12
- LET 3
- IELTS 6.5
- *More ways to satisfy this requirement can be found on the website*

<https://langara.ca/admissions/requirements/english-language-requirements/index.html>

All intakes offer Flexible Participation, meaning you can study part time, full time, in person or through online instruction.

Admissions Process

All necessary documents must be submitted to Registrar and Enrolment Services.

1. Completed Application Form
2. Official Transcripts
3. Letter of Intent – indicating what makes you a good candidate, and what are your experiences with libraries?
4. Interview and testing

All intakes offer Flexible Participation, meaning you can study part time, full time, in person or through online instruction.

Program Intakes

Langara offers 3 intakes per year.
Applications open 11 months in advance
of each intake.

Fall Intake (September start)

- Interview/testing begin in April
- Registration begins in June

Spring Intake (January start)

- Interview/testing begins in October
- Registration begins in November

Summer Intake (May start)

- Interview/testing begin in February
- Registration begins in March

All intakes offer Flexible Participation, meaning you can study part time, full time, in person or through online instruction.

Interview and Testing

Interview

- Meet with faculty and have a conversation about yourself and the reasons why you want to enter the program.
- In person or online

Computer Usage Survey

- Complete the survey indicating your level of familiarity of using current technology, social media, and equipment.

Test

- Filing exercise
- Short paragraph answers related to the career and/or library industry
- Conducted online
- 90 minutes

Contact libtech@langara.ca if you have any questions.

A photograph of a person sitting in a red armchair in a library, reading a book. The person is positioned in front of a large window that looks out onto a green lawn and a brick building. To the left and right of the person are tall bookshelves filled with books. The scene is brightly lit by natural light from the window.

Selection Criteria

1. Academic ability (assessed based on grades)
2. Library/information work experience (including volunteer)
3. Work experience / involvement in other fields indirectly related to libraries (i.e. teaching experience, computer training)
4. Ongoing interest as a library user

Selection Criteria

5. Aptitude or experience with computers or automated environments
6. Ability to communicate in writing
7. Ability to communicate orally
8. Ability to organize information and follow written instructions
9. General knowledge and evidence of well-rounded interests

Criminal Record Check

A Criminal Record Check (CRC) is expected for many library jobs and practicum placements.

AFTER acceptance into the program, you will be requested to start the CRC process.*

Students will not be able to register for second term and onward without completing the CRC process.

**A link to the CRC form will be sent in an email after your acceptance.*

- take one to five courses each term
- select courses based on prerequisites; courses are offered on a rotating schedule, following the same Fall/Spring schedule as on previous slide
- complete the program within five years (for both programs)

Core Courses:

LIBR 1111 Online Search and Information Handling
LIBR 1118 Introduction to Cataloguing
LIBR 1120 Philosophy and Functions
LIBR 1219 Field Work I
LIBR 1228 Introduction to Technical Services and Circulation
LIBR 2328 Subject Analysis and Classification
LIBR 2411 Library Technologies and Information Management
LIBR 2418 RDA, MARC Coding & Derived Cataloguing
LIBR 2416 Reference Resources and Services
LIBR 2419 Field Work II
+
Three Special Topics courses
+
Non-LIBR courses, as described on the previous slide

Credits and Pre-reqs:

3
3
3
3 has prerequisite(s)
3
4 must have taken or be taking 1118
3 has prerequisite(s)
3 has prerequisite(s)
3 has prerequisite(s)
3 has prerequisite(s)
9

NB: The online program is identical to the in-person/regular program

Fieldwork I for online cohort offered **every second Fall**. Next offering: Fall 2026

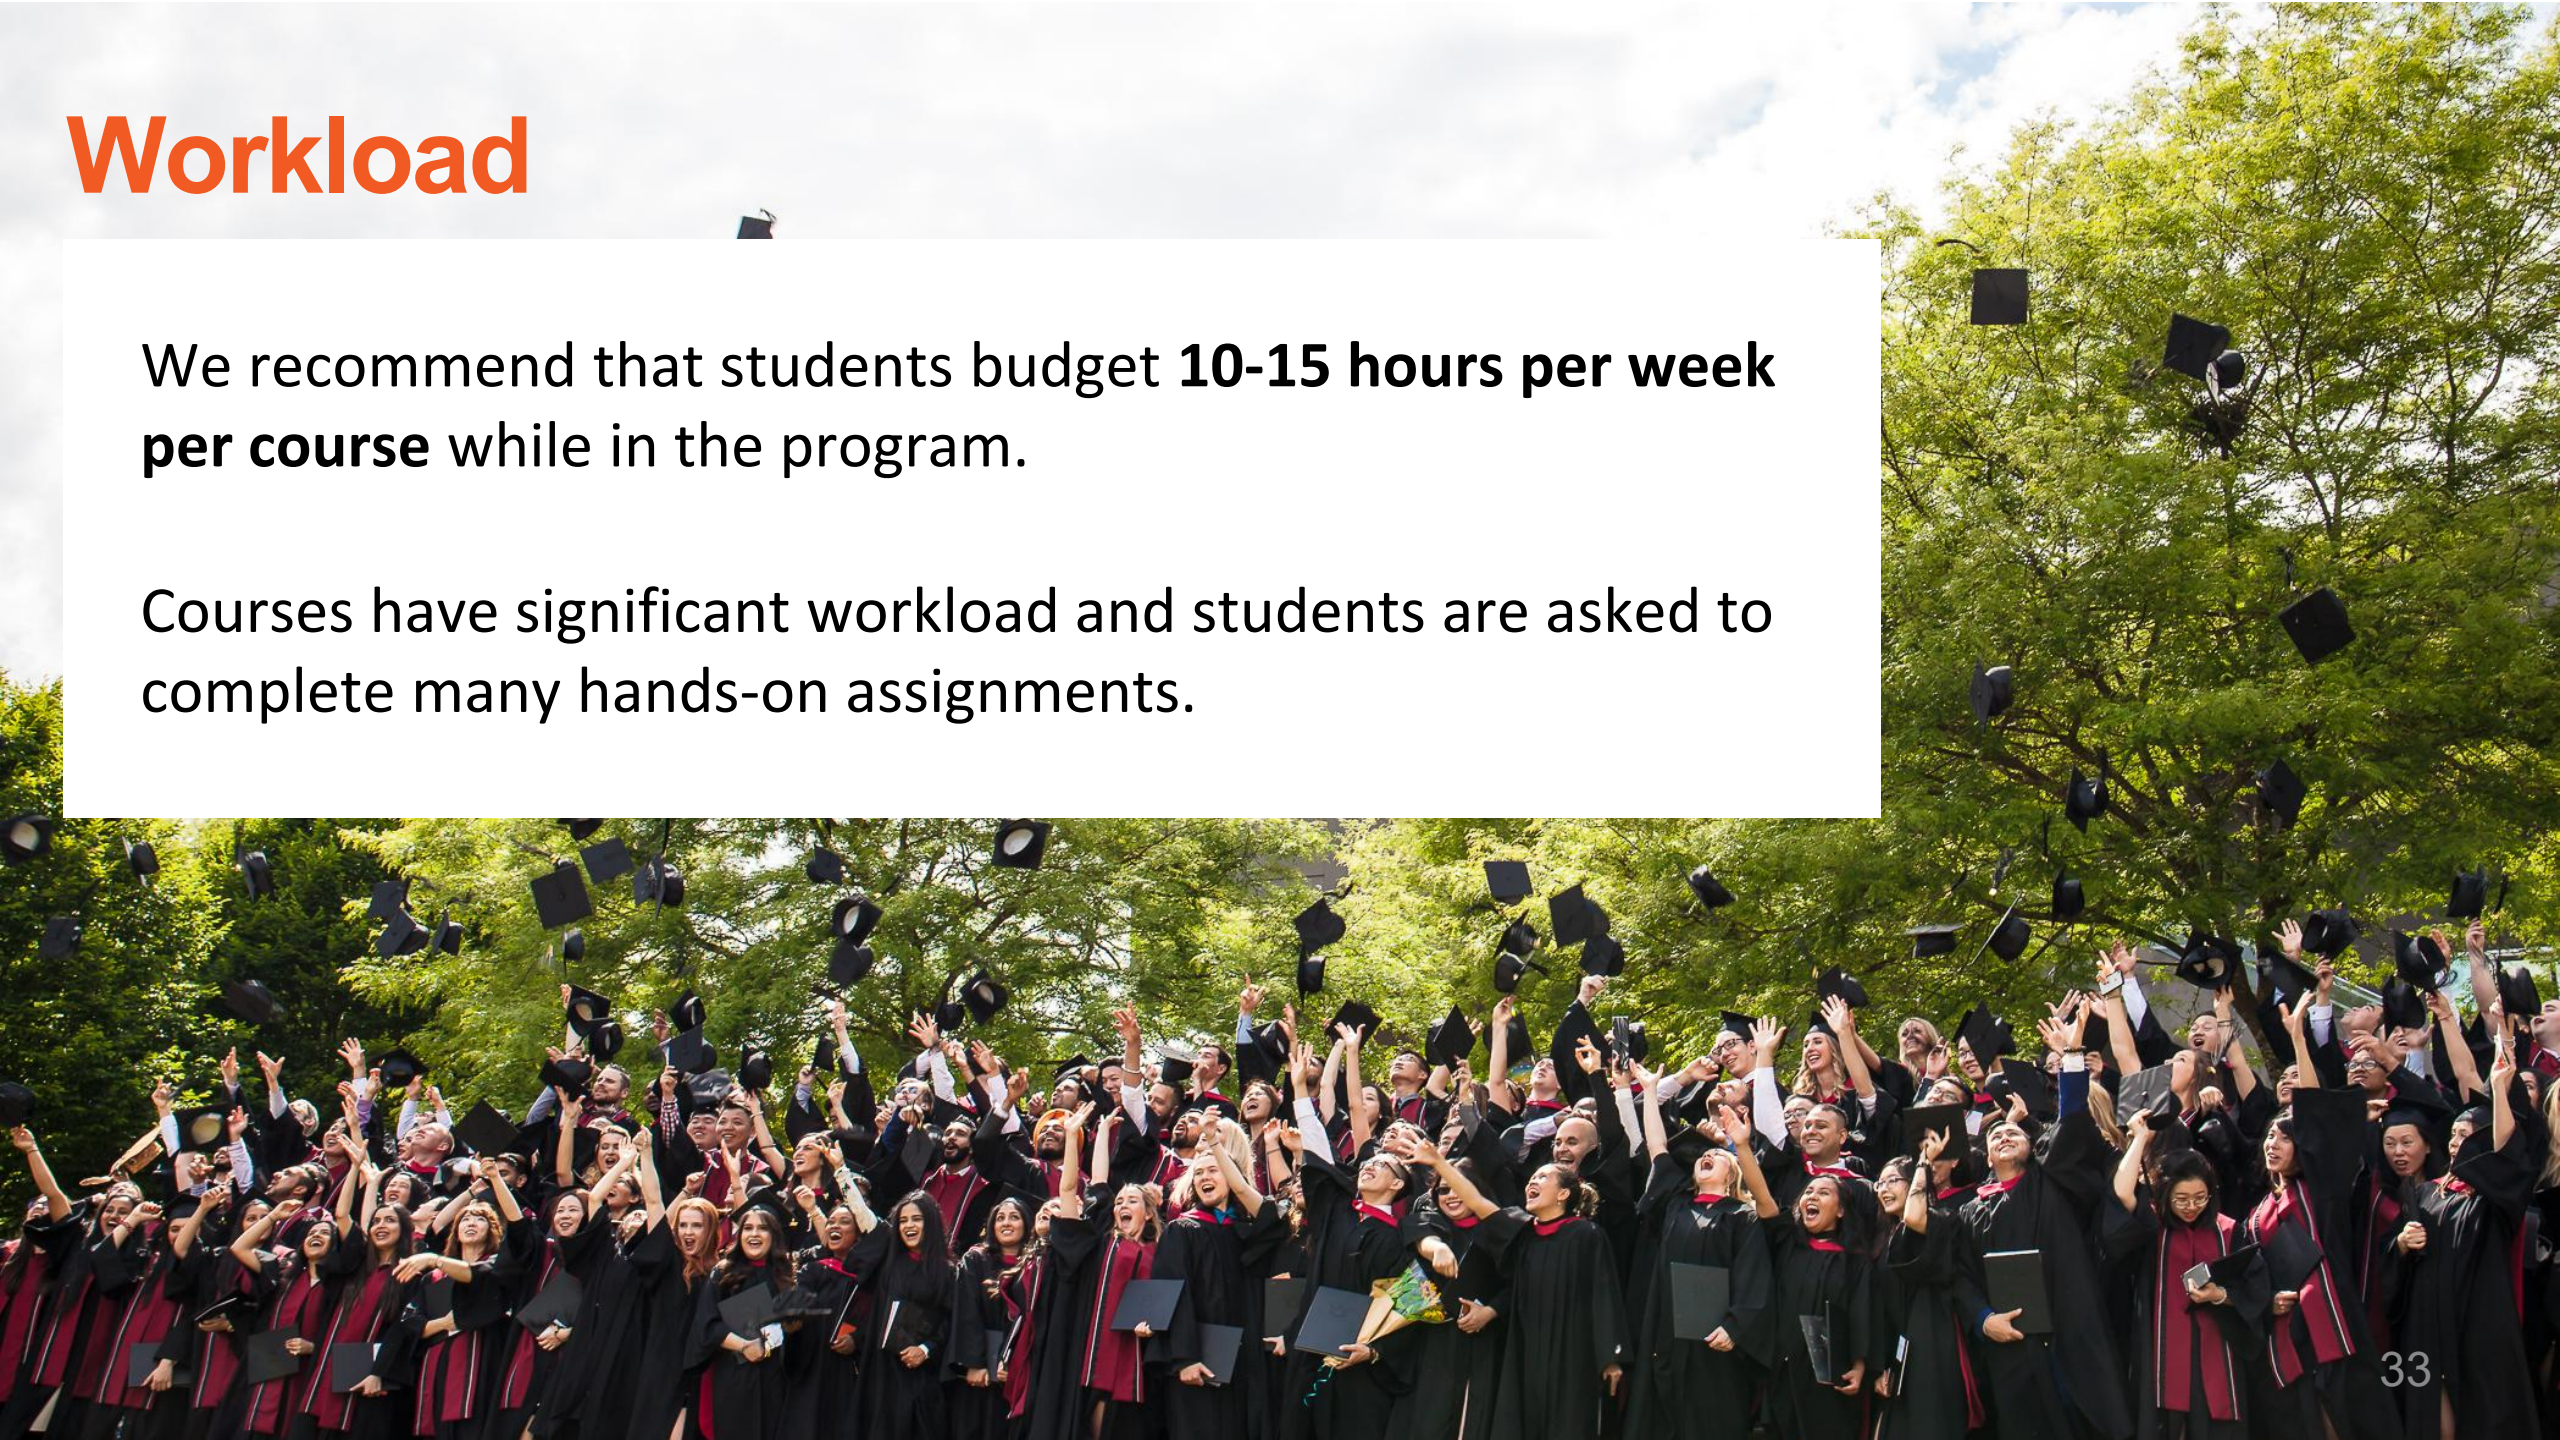

Course Search: <https://langara.ca/reg-guide/before-you-register/search-for-courses.html>

<https://langara.ca/programs-courses/library-information-technology-flexible-option-diploma-we/courses>

Workload

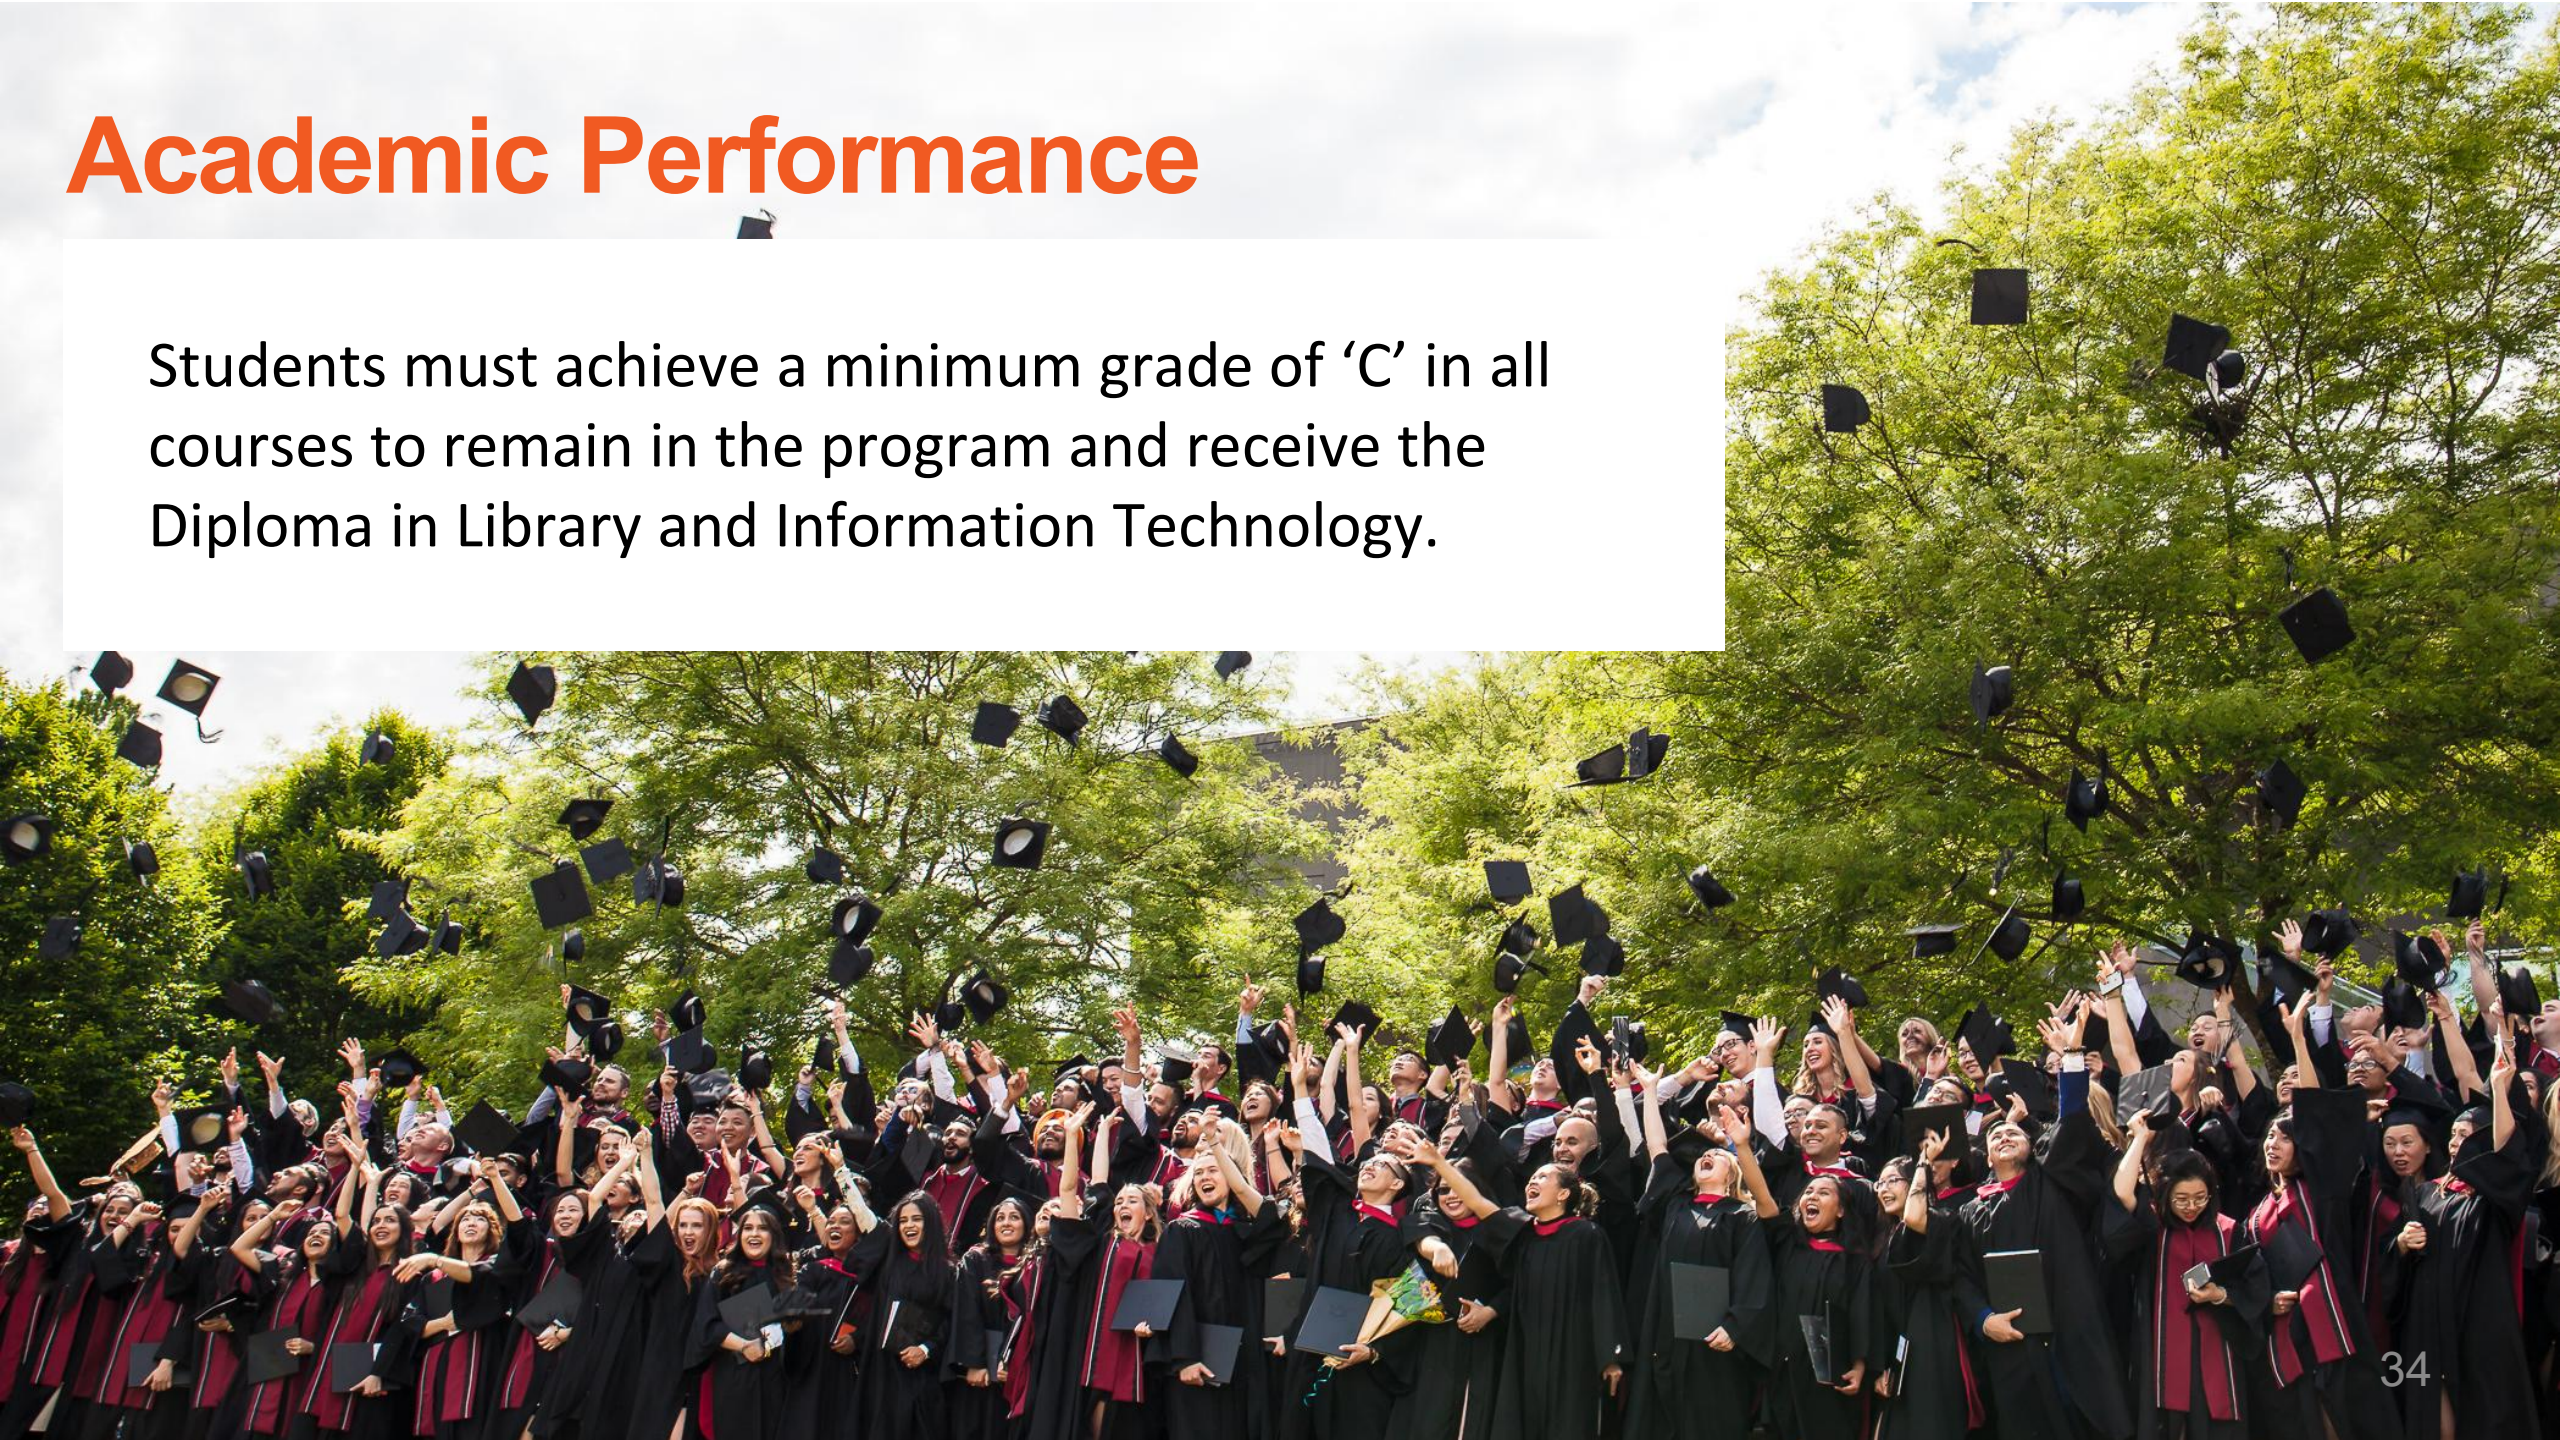

We recommend that students budget **10-15 hours per week per course** while in the program.

Courses have significant workload and students are asked to complete many hands-on assignments.

Academic Performance

Students must achieve a minimum grade of 'C' in all courses to remain in the program and receive the Diploma in Library and Information Technology.
