LANGARA COLLEGE CLASS OF 2020

# snəwəyət leləm.

THE COLLEGE OF HIGHER LEARNING.

On behalf of the Musqueam people, the Musqueam Band Council congratulates the 2020 graduates, their families and friends of snəwəyət leləm Langara College.

Our lands have long been places of learning, and Langara is situated on our unceded traditional territory on what was once a Musqueam village. We have honoured that connection by giving the College a name in our language, snəwəyət leləm, which means house of teachings. The word snəwəyət references the advice given to a child to build their character and to guide them into adulthood. We trust that your time at Langara has helped to do just that, and prepared you all for successful futures.

Our connection with Langara is also reflected in these ceremonies in a number of ways. The river grass at the base of the College's coat of arms, printed on every diploma and certificate, refers to the Musqueam people, whose name means people of the river grass.

The platform party is led into convocation hall by a Musqueam drummer, and the regalia worn by Langara's President incorporates traditional Musqueam blanket patterns and wolves, as designed by renowned Musqueam artist Debra Sparrow. We value our continued partnership with Langara and the opportunity to share a small part of our culture with you.

Congratulations to all the graduates, including the growing number of First Nations students who will cross the platform in these ceremonies. Your accomplishment reflects your hard work and talent, and we hope that you continue to contribute to Langara, your communities, and society after you graduate.

We wish you every success for your future.

# Emeritum Awards

## CELEBRATING DISTINGUISHED SERVICE

Emeritum is Latin for “those having merited discharge by service”. It is an honorary title conferred to retiring or retired faculty or staff to recognize their distinguished service to an organization.

Langara College introduced the Emeritum Designation Policy in 2013 and is proud to announce the awarding of the 2020 Emeritum Awards to Barbara Binns, Lynn Carter, and Duncan McCallum for their outstanding contribution to teaching, service, or leadership.

### BARBARA BINNS – FACULTY EMERITUM, INTERDISCIPLINARY STUDIES

Barbara Binns is a retired Langara Instructor and Coordinator in the Interdisciplinary Studies Department (1988–2006), teaching primarily in Women’s Studies and Canadian Studies. Born in Jamaica, and Canadian since the 1960s, Barbara earned degrees in nursing, education, and social work. An outstanding instructor, she has devoted the last 20 years of her life to improving the lives of women in developing countries and to combating racism in Canada. She inspired students and colleagues through her extensive work in anti-racism, community development, human rights, and international development. Barbara has received many awards and accolades for her work in the community, including the Rosemary Brown Award for Women in 2005 and the Development Education Award in 1994. She was honoured as a 49 Langaran.

### LYNN CARTER – FACULTY EMERITA, SOCIAL SERVICES

Lynn Carter is well known at Langara College for her superior leadership – in teaching, in curriculum development, and in policy development. Lynn was also a vital and contributing member of the broader social services community and maintained excellent connections so she could provide Integrated Experiential Learning opportunities for her students in the community. Lynn served as president of the Greater Vancouver Community Services Society for many years. She was also instrumental in the development of a regulatory system for the social work profession in British Columbia and chaired the Board of Registration for Social Workers. In her role as President of the Langara Faculty Association, Lynn was the epitome of professionalism, dedication, and honesty.

### DUNCAN MCCALLUM – DIRECTOR EMERITUM, ATHLETICS & FACULTY EMERITUM, KINESIOLOGY

Duncan was the men’s basketball coach at Langara College (formerly Vancouver Community College) from 1970 to 1991. He was the institution’s first, and longest serving, Director of Athletics, a title he held from 1970 until retirement in 1994. During that time, he led ten BC teams to the CCAA Championships. He ran one of the most successful and decorated athletic programs in the Province and one of the top college athletic programs in Canada. In 1999, the British Columbia Colleges’ Athletic Association (BCCAA) named the CCAA Duncan McCallum Men’s Basketball Fairplay Award after him for his many years of dedication to college basketball in Canada. Duncan also spent time in the classroom and was an instructor in the Kinesiology (formerly Human Performance) Department throughout his tenure at the College, the Ritchie McCloy Award for Volunteerism, and Langara’s Leadership Excellence Award.

## Langara's Coat of Arms

Langara's values of learning and discovery and includes elements of the surrounding community. It is used to represent the College at ceremonial occasions.

The coat of arms features a strong X shape, symbolizing the college as a crossroads where students from varied backgrounds meet and then follow various life paths. It also alludes to the Langara campus, which features angular buildings surrounded by green space. The book indicates that Langara is an educational body, and the cherry blossoms are a feature of Vancouver in the spring.

The pantheon represents imagination, achievement and the natural world. The use of gold stars on green refers to the arms of the Spanish admiral Juan de Langara y Huarte, for whom the College was named. The mariner's compass also alludes to the early Spanish explorers, as well as the college's role in guiding its students.

The falcon is the mascot of the college's intercollegiate sports teams. The binary code on their collars (meaning "L" and "C" for Langara College) honours the college's commitment to innovation in instructional information technology. The base of river grass represents the location of the college's campus on the traditional territory of the Musqueam Nation, "Musqueam" meaning "people of the river grass". In January of 2016, the Musqueam gave Langara the name snəwəyət leləm which means house of teachings.

The Latin phrase at the base means "Knowledge is freedom".
